Dear Jackson Public Arts Commissioners:

It is with much regret that I find myself writing this letter to you today but find that it is necessary to move the organization forward. I hereby resign from the public arts commission, effective on October 25, 2016. I wish you much success in moving forward with your projects and initiatives.

Sincerely,

Sheila M. Troxel

MEMO TO: City Councilmembers
FROM: William C. Jors, Mayor 
DATE: November 15, 2016
SUBJECT: Administrative Hearings Bureau

RECOMMENDATION:

Approve the Mayor's recommendation to reappoint William A. Thompson as administrative hearings bureau officer for the City of Jackson's Administrative Hearings Bureau for a two-year term, beginning January 1, 2017, and ending December 31, 2018.

In accordance with City Code, Chapter 2.5, the Administrative Hearings Bureau officer appointed by the Mayor with the consent of the City Council must be an attorney admitted to the practice of law in the State of Michigan for at least five (5) years. The administrative hearings bureau officer will serve a term of two (2) years and is removable only upon just cause.

It is my desire, therefore, to reappoint William A. Thompson as an administrative hearings bureau officer for the City of Jackson's Administrative Hearings Bureau for a two-year term, beginning January 1, 2017 and ending December 31, 2018.

Attention: The Honorable William C. Jors
Mayor

**Re: City of Jackson Board/Commission
Application**

Dear Mayor Jors:

This letter is being submitted with my *application* for re-appointment as a hearings officer for the Administrative Hearings Bureau of the City of Jackson. It is my understanding that my current term as a hearings officer will expire on December 31, 2016. It is my further understanding that a new *Application* is necessary in order to be considered for re-appointment. Because I would like to be considered for re-appointment to another term, this letter is being written to supplement the information which is set forth in the *Application* to which this letter is attached.

I have been continuously engaged in the practice of law since I was admitted to the State Bar of Michigan in 1968. I have spent my entire professional career in Jackson, Michigan, beginning in 1970, after my discharge from the United States Army.

I served as the first full time assistant city attorney for the City of Jackson from 1971 through 1975. I have been engaged in the private practice of law since leaving the City Attorney's office. My professional areas of concentration include municipal law, real estate, probate, wills and trusts, and business. I have represented various municipal clients over the years, and am currently the Township attorney for the Townships of Summit and Napoleon, and village attorney for the Village of Grass Lake. I have also served as a hearings officer for the Administrative Hearings Bureau during the period from January 1, 2013 through to the present.

I have been actively involved in many community activities over the years, having served, for example, in the following positions:

1. Member, Board of Directors, Jackson Public Transportation Company;
2. Member and Past Chair, Board of Directors, Downtown Development Authority;
3. Member, and Past Chair, Jackson Community College Foundation;
4. Member, and Past Chair, Summit Township Board of Appeals; and
5. I have also served as a mediator/case evaluator on numerous occasions over a period in excess of thirty years.

I have appreciated having had the opportunity to serve as a hearings officer for the City's Administrative Hearings Bureau for a period of almost four years and I would be honored to accept re-appointment to that position if the same were to be offered.

Respectfully submitted,

Inosencio & Fisk, PLLC

William A. Thompson

MEMO TO: City Councilmembers
FROM: William C. Jors, Mayor
DATE: November 15, 2016
SUBJECT: Building Code Board of Examiners and Appeals

RECOMMENDATION:

Approval of the Mayor's recommendation to reappoint Jason Covalle to the Building Code Board of Examiners and Appeals for a three year term beginning January 1, 2017, and ending December 31, 2019.

In accordance with City Code, Chapter 5, Article 2, the City Engineer and the Fire Chief are members because of their offices. The Mayor and City Council appoint five members to three-year terms. (1 building contractor, 1 registered architect or engineer, 2 members of the general public and 1 building official.)

It is my recommendation, therefore, to reappoint Jason Covalle to the Building Code Board of Examiners and Appeals for a three year term beginning January 1, 2017, and ending December 31, 2019.

MEMO TO: City Councilmembers
FROM: Bill Jors, Mayor 
DATE: November 15, 2016
SUBJECT: Human Relations Commission

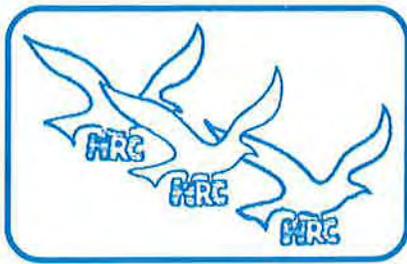

RECOMMENDATION:

Approve the Mayor's recommendation to reappoint Melissa Morse to the Human Relations Commission for a three year term beginning January 1, 2017, and ending December 31, 2019, in accordance with the Human Relations Commission recommendation.

In accordance with City Code, Chapter 15, Section 15-33. The HRC shall consist of nine citizens; at least five must be City residents. Nominations to fill vacancies shall be made by City Council or HRC to Mayor; at least one for each appointment. Mayor appoints subject to Council confirmation. HRC may appoint up to three ex-officio citizen members for indefinite terms; in addition, one City Councilmember shall be an ex-officio member. Three appointments made annually for three-year terms upon expiration of appointments ending December 31, 1999.

It is my recommendation to reappoint Melissa Morse to the Human Relations Commission for a three year term beginning January 1, 2017, and ending December 31, 2019, in accordance with the recommendation of the Human Relations Commission.

SUBJECT: Public Arts Commission Appointment

RECOMMENDATION:

Approve the Mayor's recommendation to appoint Janet Meyer-Jackman to serve as a Commissioner on the Public Arts Commission filling a current vacancy beginning immediately, and ending May 28, 2018.

Created under Ordinance No. 2015.13, adopted on April 28, 2015. Five (5) members nominated by the Mayor and approved by City Council, who shall be residents of the City. Members shall be appointed staggered terms and after the initial Commission is formed all members thereafter will serve 3-year terms. Members shall have experience and/or an interest in the placement, creation, or designation of public art. The Arts Commission may appoint up to three (3) appointed ex-officio members, the City Manager or his/her designee, one City Councilmember, and one representative of Ella Sharp Museum of Art and History. Ex-officio members will be appointed to 3-year terms.

I am, therefore, recommending the appointment of Janet Meyer-Jackman to serve as a Commissioner filling a current vacancy, beginning immediately and ending May 28, 2018.

**CITY OF JACKSON SPECIAL EVENT
POLICY AND APPLICATION**

The City of Jackson appreciates your efforts in contributing to the community through your Special Event. We recognize that the City of Jackson is fortunate to have many varied locations, such as parks, streets and neighborhoods, which provide wonderful venues to host Special Events for the community.

To preserve the City's assets and resources, while still offering enjoyment of events, the City permits the temporary use of public properties or roadways for special activities. The City coordinates the review these events with various City departments to ensure that the events are conducted safely and protects the city's assets and the health safety and welfare of the citizens.

The Downtown Development Authority (DDA) will distribute copies of your application to all City departments or agencies affected by your event. These department or agencies will contact you individually only if they have specific questions or concerns about your event.

PURPOSE

The purpose of the Special Events Policy is to promote uniform procedures to regulate and permit special event activity at locations under the jurisdiction of the City of Jackson. The Special Event Application is a starting point for any group or individual who wishes to hold an event, parade, assembly, festival, or similar affair, utilizing, or reserving city assets or resources within the City of Jackson.

SPECIAL EVENT APPLICATION REQUIRED

This Policy Statement on Special Events covers all special events. Any organization wishing to sponsor or hold a Special Event in the City of Jackson that takes place on public lands or lands that are controlled by the City of Jackson will be required to complete the City of Jackson Special Event Application.

Most Special Events within the City of Jackson that will be conducted on the streets, parks or other public area are required to be approved by the City Council. Special Events that require low to moderate levels of City resources can be approved by the City Manager. Applications to conduct a Special Event must be made in writing to the Downtown Development Authority. Applications are available from the office of the Downtown Development Authority, the DDA's website at jacksondda.org/forms, and the City's website at cityofjackson.org.

The City will provide a complete review of any Special Event Application, including consultation with the applicant as may be reasonably necessary to resolve problems and/or concerns. It is the responsibility of the event organizer to note the proposal of City street and City owned parking lot closures within their Special Events Application.

Event organizers should be aware that noise generated by the event could have an impact on the neighborhoods near the event site. Event organizers must be considerate of the neighborhood and be aware of the City Noise Ordinance located at Section 17-76 through 17-110 of the City of Jackson Code of Ordinances.

As an event organizer, you must consider the availability of rest room facilities during this event. Consideration should be made regarding the type of event, the length of time it will be held, the number of people, etc. You must determine the public accessibility of rest room facilities in the immediate area of the event venue and then identify the potential need for portable facilities. Remember to identify accessible facilities for ADA requirements as well.

IMPLEMENTATION

Eligibility Requirements

The applicant or representative of any business, group or organization that seeks approval to conduct a Special Event, must be 21 years of age or older and officially designated as the agent of the sponsoring business, group, or organization.

Classification of Special Events

Requirements for your Special Event will depend upon the Resource Classification of your Special Event. The expected number of participants may change the Resource Classification of a Special Event. Groups of over 100 participants are automatically classified as High Resource events. Events with alcoholic beverages are automatically classified as High Resource Events. The examples provided below are general examples of types of events. Due to the unique characteristics of a Special Event, the Resource Classification may be increased.

LEVEL 1 SPECIAL EVENT - LOW RESOURCE

Events that involve no organized physical activity by participants and no severe exposure to spectators, i.e. meetings, prayer circles, seminars, and social gatherings and to reserve a city resource. These events may be approved by the City Manager (or designee), or the application may be sent to the City Council for approval.

LEVEL 2 SPECIAL EVENT - MODERATE RESOURCE

Events that involve limited physical activity by participants and no severe exposure to spectators, i.e. animal shows, auctions, flea markets, picnics, and political rallies and to reserve a city resource. These events may be approved by the City Manager (or designee), or the application may be sent to the City Council for approval.

LEVEL 3 SPECIAL EVENT - HIGH RESOURCE

Events that involve major participation by participants and/or moderate or high resource exposure to spectators, i.e. amateur, collegiate, semi-professional, or professional sporting events; a circus, carnival, or parade; concerts, dances, or theatrical performances; marathons, vehicle races, or other races; fireworks displays; and water events and to reserve a city resource. These events are approved by the City Council.

APPLICATION PROCEDURE

A Special Event Application must be received by the DDA sixty (60) days prior to the first day of the proposed event. An event may be approved after the 60 day deadline if the applicant shows that extraordinary circumstances were the cause of the late application. A late fee will be assessed for all applications not timely submitted. An incomplete application may result in denial of your request. Event organizers are requested to begin the process as early as possible in order to ensure proper approvals and deadlines are met. A completed, approved application also reserves the event location.

Please submit the following for each proposed Special Event:

1. Signed application;
2. Map (sketch) of event site, detailing street closures, parking requirements, etc.;
3. Schedule of event;
4. (If applicable) Proof of insurance/indemnification (naming City of Jackson and DDA as "additional insureds");
5. (If applicable) Fully executed Hold Harmless Agreement; and
6. \$25 SEA processing fee.

EMERGENCY MEDICAL SERVICES

Due to the vast number of different types of events, along with the anticipated crowd sizes, at a minimum, all event organizers should have the ability to contact 9-1-1 and access someone who is certified in First Aid/CPR. Also, basic First Aid Stations and/or kits should be on site.

LIABILITY INSURANCE REQUIREMENTS

Liability Insurance coverage is required in the dollar amounts specified for the class of Special Event. The insurance carrier must be licensed in the State of Michigan and acceptable to the City of Jackson. A Certificate of Insurance evidencing the amount of liability insurance must be submitted with your application. In addition, a policy endorsement naming the City of Jackson and the Downtown Development Authority as additional insureds on the policy must be submitted at the time of your application.

Your Special Event application will not be accepted without the submission of all required insurance documents. For Level 1 Special Events, the event organizer can choose to either provide the City with the above insurance requirements, or can instead execute a Hold

Harmless Agreement with the City. Level 2 and Level 3 Special Events require \$1,000,000 in commercial general liability insurance on an occurrence made basis if recommended by the City Attorney. Hold Harmless Agreements or insurance documents must be provided at least two (2) weeks prior to scheduled Council approval.

RESIDENTIAL NEIGHBORHOOD BLOCK PARTIES

Block parties have different requirements from those set forth in this Policy. Please contact the DDA for details and an application. An application may be obtained from the DDA's website at <http://www.cityofjackson.org/270/Block-Parties>.

CLEAN UP, SITE RESTORATION AND REIMBURSEMENTS

Event organizers are responsible for cleanup and repairs. Event organizers who fail to clean up and repair damages to the Event Area may be billed for City services. Failure to clean up and repair will be considered in approval of future special event applications. Reimbursements for the cost incurred by the city in order to meet the requests of the event organizers may require reimbursement for those reflective costs.

CITY COUNCIL APPROVAL

It is recommend that the event organizer be present at the City Council meeting that your request is on the agenda for in order to answer any possible questions that Councilmembers may have regarding your proposed event. **Please note, if questions arise at the Council meeting, and a representative is not present, your request may be denied or approval may be delayed. The City of Jackson is not responsible for delays caused by the event organizer's failure to meet all special event policy requirements.**

Upon approval of the Special Event Application, the DDA will provide notification as to the action of the City Council and/or City Manager will be communicated to the event organizer requesting the event. This confirmation will serve to outline any special conditions that must be met if the event is to be held.

THE CITY OF JACKSON RESERVES THE RIGHT TO WAIVE ANY REQUIREMENTS OF THIS POLICY IN THE INTERESTS OF THE HEALTH, SAFETY AND WELFARE OF THE CITIZENS OF JACKSON.

**PLEASE CONTACT THE DOWNTOWN DEVELOPMENT AUTHORITY WITH
QUESTIONS REGARDING THIS POLICY AT (517) 788-4355**

MEMO TO: City Councilmembers
FROM: William C. Jors, Mayor 
DATE: November 15, 2016
SUBJECT: Administrative Hearings Bureau

RECOMMENDATION:

Approve the Mayor's recommendation to appoint Charles J. Falahee, Jr., as administrative hearings bureau officer for the City of Jackson's Administrative Hearings Bureau filling a current vacancy and for a two-year term, beginning immediately, and ending December 31, 2018.

In accordance with City Code, Chapter 2.5, the Administrative Hearings Bureau officer appointed by the Mayor with the consent of the City Council must be an attorney admitted to the practice of law in the State of Michigan for at least five (5) years. The administrative hearings bureau officer will serve a term of two (2) years and is removable only upon just cause.

It is my desire, therefore, to appoint Charles J. Falahee, Jr., as an administrative hearings bureau officer for the City of Jackson's Administrative Hearings Bureau filling a current vacancy and for a two-year term, beginning immediately and ending December 31, 2018.

I recommend adoption of the resolutions after its public hearing is held. Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager
FROM: Andrew J. Wrozek, Jr. City Treasurer/Clerk
DATE: November 15, 2016
RECOMMENDATION: Adopt the resolution after the Public Hearing is held.

SUMMARY

Special Assessment Roll 3385 for street reconstruction on Edward Avenue from Wildwood Avenue to Winthrop Street, and Special Assessment Roll 3386 for street reconstruction on Winthrop Street from Edward Avenue to Withington Stadium.

BUDGETARY CONSIDERATIONS

See attached resolutions.

HISTORY, BACKGROUND and DISCUSSION

Resolution dated February 9, 2016 ordering the construction and preparation of the special assessment roll was adopted for Edward Avenue from Wildwood Avenue to Winthrop Street and Winthrop Street from Edward Avenue to Withington Stadium combined. The project has been divided into two separate Special Assessment Rolls. The required notice was published in the Jackson Citizen Patriot and a notification letter was sent to each property owner included in the rolls with a CDBG income insert.

DISCUSSION OF THE ISSUE

Confirmation of the Special Assessment Roll 3385 and Roll 3386.

POSITIONS

I recommend adoption of the resolution after its public hearing.

RESOLUTION
STREET CONSTRUCTION

BY THE BOARD OF REVIEW:

WHEREAS, the Assessor, in accordance with the direction of the City Council, did prepare special assessments concerning street reconstruction on Edward Avenue from Wildwood Avenue to Winthrop Street which assessments were by him placed on Assessment Roll No. 3385 in the amount of \$38,308.71 and reported to the City Council at its meeting held on the 15th day of November, 2016; and

WHEREAS, notice has been duly given that the City Council and Assessor would sit as a Board of Review in the Council Chambers in the City of Jackson on Tuesday, the 15th day of November, 2016, at 6:30 p.m. to hear any and all objections and suggestions by interested parties to said special assessments as contained in said roll; and

WHEREAS, the matter of said review having come on to be heard and the City Council and Assessor sitting as a Board of Review having heard all suggestions and objections made thereto and having fully considered the same;

NOW, THEREFORE, BE IT RESOLVED, that each and all of the special assessments as contained in said roll are hereby confirmed and made valid liens against the property and valid claims against the owners thereof, and the City Clerk is hereby directed to make certificates of this determination and attach the same to said roll and to turn said roll over to the City Treasurer for collection; and

BE IT FURTHER RESOLVED that each and all of the special assessments contained in Roll No. 3385 shall be divided into fifteen (15) equal installments, the first of which shall be payable by July 1, 2017 without interest charge; and the remaining installments, plus a 2.25% annual interest charge on each installment, shall be due annually on May 31st of each subsequent year until each of the special assessments has been paid in full; provided, however, that in the event the City issues bonds in anticipation of special assessments, the unpaid balance of said special assessments shall, in accordance with Section 22-9 of the Jackson City Code of Ordinances, bear a rate of interest which shall be one percent (1%) above the average interest cost of said special assessment bonds.

BE IT FURTHER RESOLVED that the unpaid balance of any special assessment, including pro rata interest charges, may be paid in full at any time and that each and any special assessment may be paid without interest if payment in full is made prior to July 1, 2017.

CITY COUNCIL MEETING

January 26, 2016

TO: Honorable Mayor and City Councilmembers
FROM: Jon H. Dowling, P.E., City Engineer
SUBJECT: Engineer's Report for Edward Avenue – Wildwood Avenue to Winthrop Street
& Winthrop Street – Edward Avenue to Withington Stadium

RECOMMENDATION: Receive the Engineer's Report for street reconstruction on Edward Avenue from Wildwood Avenue to Winthrop Street and on Winthrop Street from Edward Avenue to the east end at Withington Stadium and establishment of February 9, 2016, at the City Council meeting as the time and place to hold a public hearing of necessity.

Engineering requests that City Council establish a public hearing of necessity to be held February 9, 2016 for street reconstruction on Edward Avenue from Wildwood Avenue to Winthrop Street and on Winthrop Street from Edward Avenue to the east end at Withington Stadium. This report is prepared for City Council per the Assessment Policy regarding the necessity of street construction.

Engineering records show that the pavement on Edward Avenue was constructed in 1917 and received a single course overlay in 1978. The condition of the pavement is poor with alligator cracking and potholes throughout. As the potholes were too numerous to fill, the center of the street was padded in 2014. Most of the curb and gutter is overlaid and broken at each joint.

Engineering records show that the pavement on Winthrop Street was constructed in 1928 and received a single course overlay in 1979. The condition for this street is also poor. There is cracking throughout with alligator cracks and potholes at various locations. The curb and gutter is overlaid throughout and the curb head is broken at various locations.

The attached photos show the current street conditions.

Engineering proposes concrete curb and gutter replacement and full depth pavement replacement with new aggregate base and asphalt pavement throughout the project area. The antiquated cast iron water mains (constructed in 1916 on Edward and 1927 on Winthrop 1919) within the project area will be replaced in conjunction with street construction. The water main portion of this project is part of the water main replacement program to improve water quality and pressure in the neighborhood.

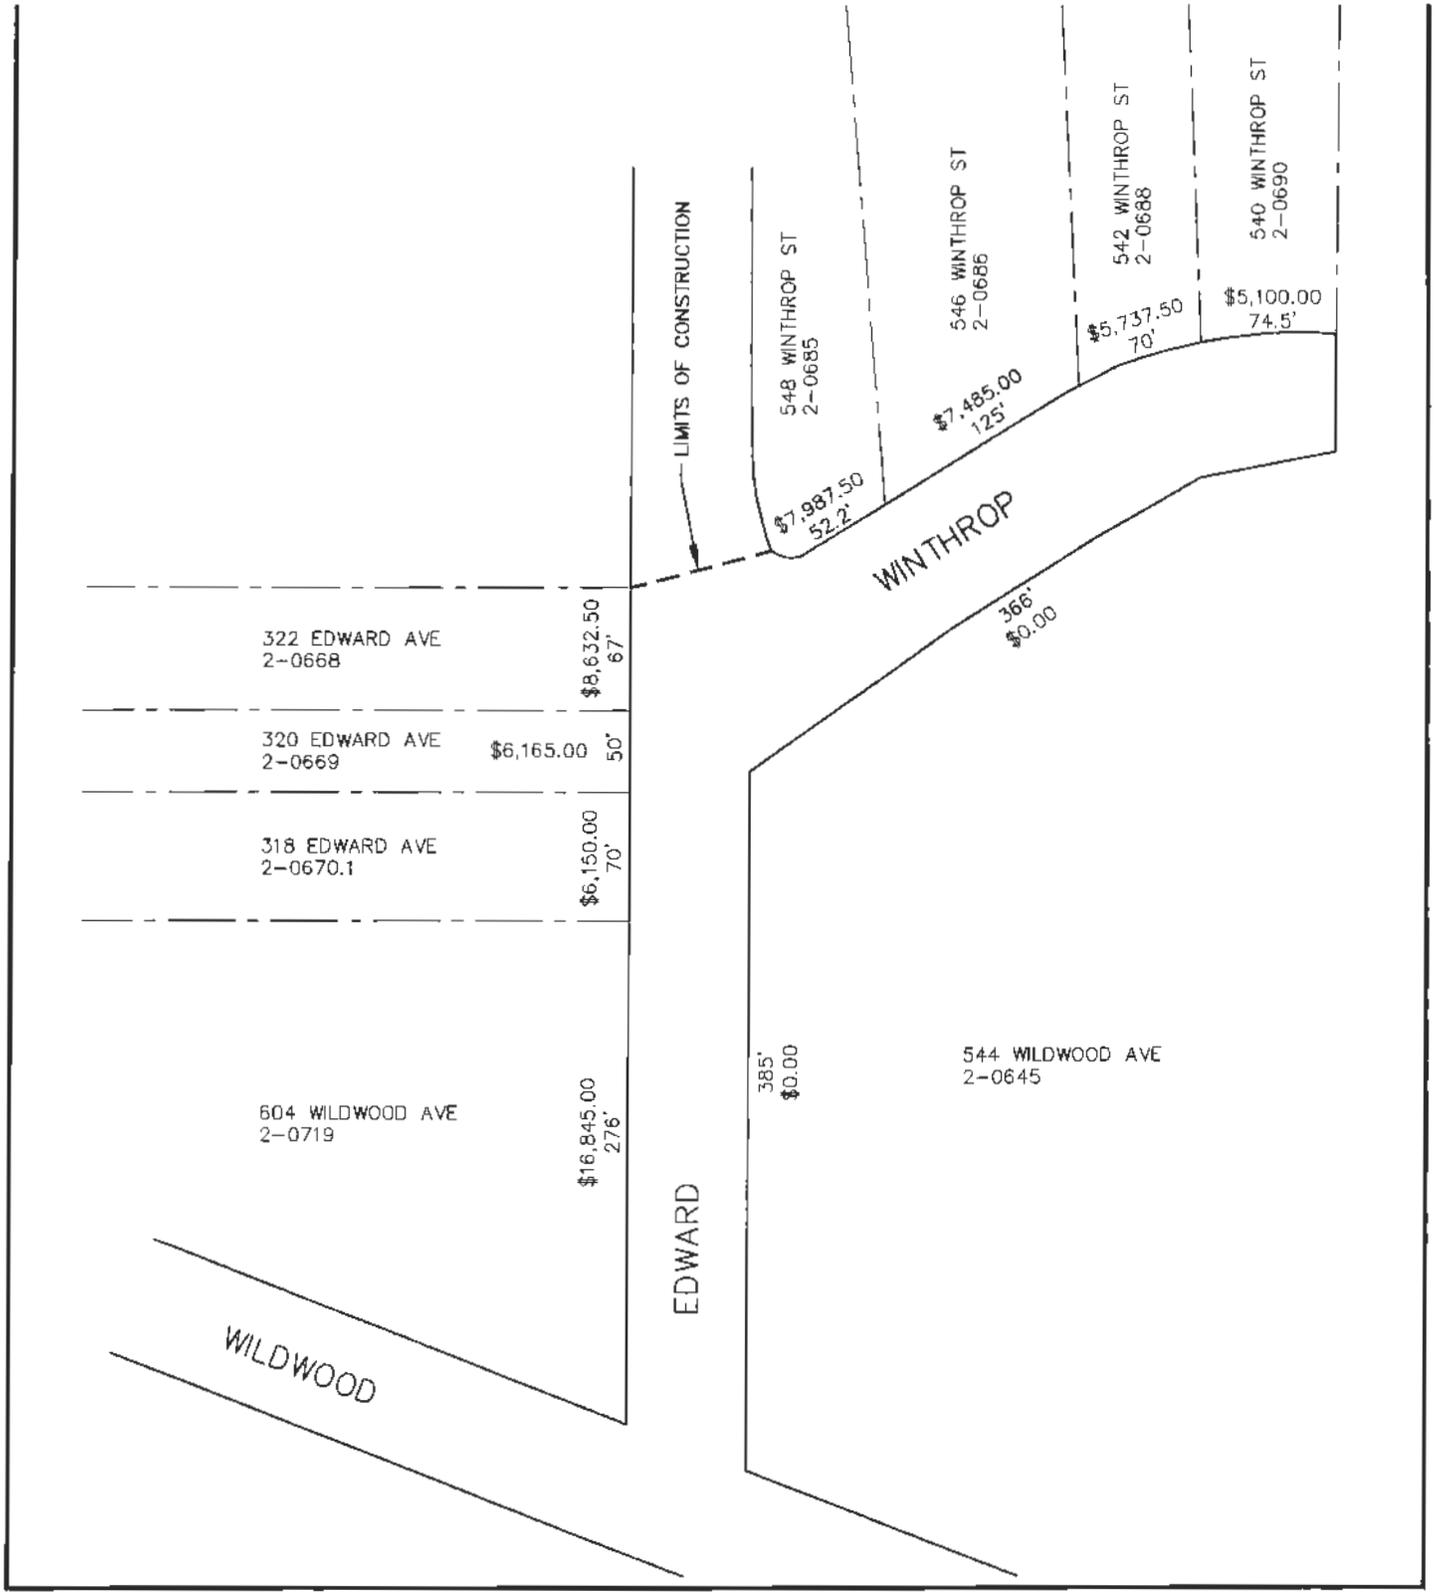

Estimated project costs and funding are as follows:

CDBG Funds	\$ 326,000.00
Local Street Funds	\$ 23,000.00
Street Construction Assessments	\$ 64,102.50
Water Funds	<u>\$ 123,000.00</u>
Total Project Cost	\$ 536,102.50

The established individual assessment information has been reviewed by the City Assessor and includes corner lot benefits where applicable. According to the City Code, the City Assessor determines if corner lot benefits are granted. Associated costs are shown on the attached assessment maps. If this project is ordered, the assessment roll can be spread over a period of time. The number of years is based on the highest individual assessment amount that produces the longest period of time allowed for payment. Based on a schedule of assessments adopted by resolution on October 8, 2013, and on the highest individual assessments for this project, the number of annual installment periods will be fifteen.

Re: Combine 3 Parcels into one Industrial Development District

Dear Sir:

In 2005, Jackson Tumble Finish was designated as Industrial Development District No. 92. Since that time, we have acquired 2 additional parcels. I would like to request our newly acquired parcels to be combined into one Industrial Development District #92. The new parcel numbers are 6-1749.2000 (1310 Losey) and 6-1752.00000 (1808 Lewis).

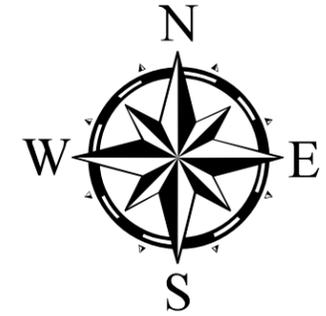

I have enclosed the fee (\$575.00) associated with this request.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Denise L. Losey". The signature is written in a cursive style.

Denise L. Losey

RESOLUTION
Amend Industrial Development District No. 92

BY THE CITY COUNCIL:

WHEREAS, Act 198 of the State of Michigan Public Acts of 1974, as amended, was enacted for the purpose of stimulating economic development in the state by providing tax benefits through the establishment of plant rehabilitation districts and industrial development districts; and

WHEREAS, the City of Jackson qualified under the terms of Sec. 4 (1) of the act as a governmental unit eligible to create either type of the above named districts; and

WHEREAS, Jackson Tumble Finish, of 1801 Mitchell Street, Jackson, Michigan, more fully described below, has petitioned the City of Jackson to declare this area to be an Industrial Development District; and

WHEREAS, Industrial Development District No. 92 was created September 20, 2005; and

WHEREAS, Jackson Tumble Finish, present owner of the property, has petitioned the City of Jackson requesting that it amend Industrial District No. 92 as requested; and

WHEREAS, the City Council of the City of Jackson has complied with the requirements of Sec. 4 (4) of Act 198 of 1974;

WHEREAS, on November 1, 2016, a public hearing was held at which all residents and taxpayers of the City of Jackson were afforded an opportunity to be heard, and written notice was given to the public by newspaper publication of the hearing; and

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Jackson hereby amends the resolution adopted September 20, 2005, to Industrial District No. 92; said district, as amended, to be more fully described as follows:

LOTS 3 & 4 BLOCK 3 ALSO LOTS 1, 3, 6 THRU 17 (INCL), 19, 20, & 23 ALSO S 39.87 FT OF LOT 2 & W 31.5 FT OF LOT 4 EX W 18.5 FT, ALSO THE W 25 FT OF LOT 21 & THE W 45 FT OF LOT 22 BLK 4 CARR'S SOUTH ADD ALSO THAT PART OF THE E 1/2 OF GAY ST LYING S OF THE S LN OF MITCHELL AND N OF THE N LN OF LEWIS ST ALSO THE W 1/2 OF GAY ST LYING E OF LOT 4 BLK 3 CARR'S SOUTH ADD.

_____ City Clerk

_____ Mayor

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burch, City Manager 
DATE: November 15, 2016
SUBJECT: Resolution to amend the Community Development Block Grant budget for fiscal year 2014/2015, 2015/2016, and 2016/2017.

Recommendation:

Approve the resolution amending Community Development Block Grant (CDBG) grant budgets for fiscal years 2014/2015 (Year 40), 2015/2016 (Year 41), and 2016/2017 (Year 42) which reallocates unutilized excess program income to the Downtown Investor Rehabilitation Program in the amount of \$153,607.

Attached is a memo from Jennifer Morris, Director of Neighborhood & Economic Operations, regarding the resolution to amend the Community Development Block Grant (CDBG) budget for fiscal years 2014/2015, 2015/2016, and 2016/2017 to be utilized in the Downtown Investor Rehabilitation Program.

I recommend approval of the resolution to amend the Community Development Block Grant (CDBG) budget for fiscal years 2014/2015, 2015/2016, and 2016/2017. Your consideration and concurrence is appreciated.

PHB

DEPARTMENTAL REPORT

MEMO TO: Patrick Burch, City Manager
FROM: Jennifer Morris, Director of Neighborhood & Economic Operations 
DATE: November 15, 2016

RECOMMENDATION: To approve the resolution to amend the Community Development Block Grant budget for fiscal year 2014/2015 (Year 40), 2015/2016 (Year 41), and 2016/2017 (year 42) to reallocate unutilized excess program income to Downtown Investor Rehabilitation Program in the amount of \$153,607.

SUMMARY

The received program income for Community Development Block Grant (CDBG) fiscal year 2014/2015 and 2015/2016 needs to be reallocated to fiscal year 2016/2017 Downtown Investor Rehabilitation Program and adjusted to reflect actual versus estimated received amounts budgeted for program income and interest.

BUDGETARY CONSIDERATIONS

See attached Resolution

HISTORY, BACKGROUND and DISCUSSION

Unutilized received program income needs to be reallocated to the current fiscal year (2016/2017) allocation for the Downtown Investor Rehabilitation Program. The amount currently budgeted for 2014/2015 received other program income and 2015/2016 received interest need to be adjusted to reflect the actual versus estimated received amounts.

Interest and commitment to the Downtown Investor Rehabilitation Program has increased with several new developments in the downtown target area. Funds reallocated to the Downtown Investor Rehabilitation Program will allow for additional projects and expansion of the program to the downtown.

POSITIONS

Approve the resolution to amend the Community Development Block Grant budget for fiscal year 2014/2015, 2015/2016, and 2016/2017 reallocating unutilized excess program income to the Downtown Investor Rehabilitation Program.

City of Jackson, Michigan
 Resolution to Amend the Fiscal Year 2014/2015 (Year 40),
 2015/2016 (Year 41), and 2016/2017 (Year 42) CDBG Budgets

WHEREAS, the U.S. Department of Housing and Urban Development approved the Community Development Block Grant (CDBG) activities for fiscal years 2014/2015 (Year 40), 2015/2016 (Year 41), and 2016/2017 (Year 42); and

WHEREAS, in Year 40 and Year 41 receipts from program income were in excess of budgeted revenue received; and

WHEREAS, the City Council desires to appropriate the program income from Year 40 and Year 41 to be made available for use in Year 42 for Downtown Investor Owned Rehabilitation.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson hereby amends the subject budgets as follows:

<u>Account #</u>	<u>Account Description</u>	<u>Current Budget</u>	<u>Revised Budget</u>	<u>Change</u>
Entitlement Year 40 (2014/2015)				
286-000-040-664.000	Interest	39,250	42,231	2,981

MEMO TO: Honorable Mayor and City Councilmembers
FROM: Bethany M. Smith, City Attorney 
DATE: Council Meeting – November 15, 2016
SUBJECT: *Resolution – Rate for Housing Code Inspections Conducted by Search Warrant*

Recommendation: APPROVE the attached revised Resolution setting forth the rates for housing code inspections of Non-Owner Occupied Residential Properties.

Your consideration and concurrence is appreciated.

DEPARTMENT REPORT

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Bethany M. Smith, City Attorney

DATE: Council Meeting – November 15, 2016

RECOMMENDATION: APPROVE the Attached Revised Resolution Setting Fees for Housing Inspections Conducted by Administrative Search Warrant

SUMMARY

The attached Resolution is a revision to the Resolution setting the per structure fee for housing code inspections to a fee based on an hourly rate which was passed by the Council on May 24, 2016.

HISTORY, BACKGROUND and DISCUSSION

The Neighborhood and Economic Operations Department seeks to alter the language to the Resolution which sets out the fees for housing code inspections. The only change in the language is to add that, for housing inspections conducted under an administrative search warrant, costs for police and administrative time will also be charged. The reason for the change is that the current fee does not cover the costs for administrative search warrants.

POSITIONS

APPROVE the Resolution as presented.

ATTACHMENTS: Resolution

RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, the City of Jackson has established a Non-Owner Occupied Residential Property Registry (“NOORPR”) and must establish the amount of fees for inspections conducted under the program; and

WHEREAS, the City of Jackson desires to change the structure of its fee for NOORPR inspections in order to more closely reflect the actual costs to the City of inspections conducted under the NOORPR program; and

WHEREAS, the City of Jackson wishes to have the aforementioned fees retained by the Neighborhood and Economic Operations Department to further the Overall Economic Stabilization Program that was adopted by the City of Jackson;

NOW, THEREFORE, BE IT RESOLVED that the City of Jackson establishes the following fees effective July 1, 2016:

A. Fees for housing inspections:

1. The fee for an initial housing inspection shall be based on an hourly rate for the time that a building inspector spends preparing for and conducting the inspection. The hourly rate shall be \$208.88 per hour.
2. The hourly rate charged for NOORPR inspections is calculated by using the following formula:

$$\frac{\text{Total Estimated Housing Code Enforcement Fund Inspection-Related Expenditures for a 2-Year Cycle}}{\text{divided by}} \frac{\text{Total Estimated Number of Housing Code Enforcement Billable Inspection Hours for a 2-Year Cycle.}}$$

3. The fee for subsequent inspections required due to the fault of the owner of the structure or unit shall be also be based on the \$208.88 hourly rate specified above.

B. Fees for inspections conducted under the authorization of an administrative search warrant:

1. There shall be a fee of \$208.88 per hour of building inspector time for a housing inspection conducted under the authorization of an administrative search warrant for a dwelling. This fee is in addition to the inspection fee provided in paragraph A above. This fee is also in

addition to administrative and police costs incurred for a housing inspection conducted under the authorization of an administrative search warrant for a dwelling.

- C. All of the above fees that are collected shall be retained by the Neighborhood and Economic Operations Department to be used for the furtherance of the Economic Stabilization Program as adopted by the City of Jackson and no part of the funds derived from the above fees may be transferred to the general operating fund for any purpose.

DATE: November 15, 2016
SUBJECT: Second Reading and Adoption of Ordinance 2016-29

Recommendation:

Adopt Ordinance 2016-29 amending Chapter 28 of the Code of Ordinances, City of Jackson, Michigan to make minor revisions to Article I, Section 28-5 (Definitions), Article III, Section 28-71 (Permitted and Conditional Uses), Section 28-73 – 28-75 (Lot Area, Width, Yard, Building Height Requirements), Section 28-90 (Natural Feature Setbacks), Article IV, Section 28-109 (Lighting Standards), Section 28-111 (Temporary Uses and Structures), Section 28-115 (Building Design Standards), Section 28-120 (Accessory Structures), Section 28-125 (Standards for Fences, Walls, and Landscape Berms), Article V, Section 28-130 (Nonconforming Lots, Building, Structures, and Use of Buildings, Structures and Land), Section 28-135 (Site Plan Review Procedures and Requirements), Section 28-160 (Planned Building Group Shopping Center), Article VI, Section 28-183 (Procedures for Change), Article VIII, Section 28-242 (Appointment and Membership), Article IX, Section 28-253 (Signs Subject to Permit of Other Approval).

Attached is Ordinance 2016-29, approved by the Council at the October 25, 2016 meeting.

I recommend approval of Ordinance 2016-29. Your consideration and concurrence is appreciated.

ORDINANCE 2016-29

An Ordinance amending Chapter 28 of the Code of Ordinances, City of Jackson, Michigan to make minor revisions to Article I, Section 28-5 (Definitions), Article III, Section 28-71 (Permitted and Conditional Uses), Section 28-73 – 28-75 (Lot Area, Width, Yard, Building Height Requirements), Section 28-90 (Natural Feature Setbacks), Article IV, Section 28-109 (Lighting Standards), Section 28-111 (Temporary Uses and Structures), Section 28-115 (Building Design standards), Section 28-120 (Accessory Structures), Section 28-125 (Standards for Fences, walls and Landscape Berms), Article V, Section 28-130 (Nonconforming Lots, Building, Structures, and Use of Buildings, Structures and Land), Section 28-135 (Site Plan Review Procedures and Requirements), Section 28-160 (Planned Building Group Shopping Center), Article VI, Section 28-183 (Procedures for Change), Article VIII, Section 28-242 (Appointment and Membership), Article IX, Section 28-253 (Signs Subject to Permit of Other Approval).

THE PEOPLE OF THE CITY OF JACKSON ORDAIN:

Section 1. Purpose.

To make minor revisions are summarized as follows:

1. Section 28-5 (Definitions) to add alternate energy source facilities to the definition of accessory structure and add a definition of watercourse
2. Section 28-71 (Permitted and Conditional Uses) prohibit recycling collection centers within the residential zoning districts, permit only permanent and interior resale operations, permit nonresidential accessory structures in industrial districts and residential accessory structures in all residential districts
3. Section 28-73 – Section 28-75 (Lot Area, Width, Yard, Building Height Requirements) establish a minimum setback from a watercourse
4. Section 28-90 (Natural Feature Setbacks) establishes a process and criteria for deviating from the setback requirements
5. Section 28-109 (Lighting Standards) clarify the maximum height of parking lot light fixture requirements
6. Section 28-110 (Environmental Protection Standards) clarify the standards for outdoor storage and waste disposal facilities

7. Section 28-111 (Temporary Uses and Structures) clarify the informational requirements necessary to review all season uses and address any inconsistencies between this section and chapter 5 and 16 which both reference the Clerk's office
8. Section 28-115 (Building Design Standards) clarify the rationale for the prohibited materials and better define the fenestration requirements
9. Section 28-120 (Accessory Structures) clarify the locations within which a detached accessory structure can be located and the quantity permitted, add ground mounted utility screening requirements, and add a reference to the swimming pool fencing requirements in the building code
10. Section 28-125 (Standards for Fences, Walls, and Landscape Berms) modify the type of fencing permitted
11. Section 28-130 (Nonconforming Lots, Buildings, Structures, and Uses of Building, Structures, and Land) eliminate inconsistencies in terminology
12. Section 28-135 (Site Plan review Procedures and Requirements) modify the minimum contour intervals
13. Section 28-160 (Planned Building Group Shopping Centers) reduce the building setback from 100 feet to 25 feet
14. Section 28-183 (Procedure for Change) eliminate the second public hearing at the City Council
15. Section 28-242 (Appointment and Membership) reduce the ZBA membership from 7 to 5
16. Section 28-253 (Signs Subject to Permit or Other Approval) permit ground signs in the single family residential districts through the conditional use approval process, provide more clarity regarding mural parameters, and permit wall signs above the second floor through the conditional land use process

Section 2. That Article I of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE I. IN GENERAL

Sec. 28-5. Definitions.

Unless context indicates otherwise, the following words and phrases used in this chapter have these meanings:

Accessory use or structure means a use or structure customarily incidental and subordinate to the principal use or building and located on the same lot with such principal use or building, including alternative energy source structures such as solar fields, wind turbines, and back-up generators.

Watercourse shall mean any waterway including a river, stream, lake, pond or any body of surface water having definite banks, a bed, and visible evidence of a continued floor or continued occurrence of water.

Section 3. That Article III of Chapter 28 of the Code of Ordinances, City of Jackson, Michigan be amended to read as follows:

ARTICLE III. ZONING DISTRICT REGULATIONS

Sec. 28-71. Permitted and conditional uses.

The following uses are permitted (P), or conditional (C) within the zoning districts. Conditional uses require approval by the planning commission according to the procedures of section 28-147.

Yard (minimum)												
High water mark of a watercourse	15 ft.											

Sec. 28-75. Lot area, width, yard, building height requirements – Industrial districts.

Zoning Districts												
	R-1	R-2	R-3	R-4	R-5	R-6	C-1	C-2	C-3	C-4	I-1	I-2
Yard (minimum)												
High water mark of a watercourse	15 ft.											

Sec. 28-90. Required setback from the high water mark of a watercourse.

(a) Within an established high water mark setback there shall be no: construction; deposit of any material, including structures; removal of any soils, minerals and/or vegetation; dredging, filling or land balancing; constructing or undertaking seasonal or permanent operations, except as authorized in this section.

(b) The setback shall only contain vegetation unless located within the C-3 zoning district within which a boardwalk/sidewalk may be constructed on public and/or private property as a means of maintaining public access/visibility to the waterfront.

(c) Additionally, under certain conditions as defined below, a high water mark setback conditional use permit may be authorized by the Planning Commission to allow limited construction, activity, use, or operations within said setback. All such conditional use permit requests will be evaluated based upon no less than the following general criteria:

- (1) The relative extent of the public and private need for the proposed activity.
- (2) The availability of feasible and prudent alternative locations and methods to accomplish the expected benefits from the activity.
- (3) The extent and permanence of the beneficial or detrimental effects which the proposed activity may have on the public and private use to which the area is suited, including the benefits the natural feature and/or natural feature setback provides.
- (4) The probable impact of each proposal in relation to the cumulative effect created by other existing and anticipated activities in the watershed.
- (5) The probable impact on recognized historic, cultural, scenic, ecological, or recreational values, and on fish, wildlife and the public health.
- (6) The size and quantity of the natural feature setback being considered.
- (7) The amount and quantity of the remaining natural feature setback.
- (8) Proximity of the proposed construction and/or operation in relation to the natural feature, taking into consideration the degree of slope, general topography in the area, soil type and the nature of the natural feature to be protected.
- (9) Economic value, both public and private, of the proposed construction and/or operation, and economic value, both public and private, if the proposed construction and/or operation were not permitted.
- (10) The necessity for the proposed construction and/or operation.

ARTICLE IV. SITE AND BUILDING DESIGN STANDARDS

Sec. 28-109. Lighting standards.

- (f) Lighting intensity and uniformity standards.
- (2) Footnotes to the table.
 - d. The maximum height of parking lot light fixtures, from grade, shall be as follows:
 1. Up to fifteen (15) feet in a residential district;
 2. Up to eighteen (18) feet in a commercial or industrial district when WITHIN one hundred fifty (150) feet of a residential district;
 3. Up to twenty (20) feet in a commercial district when NO LESS THAN one hundred fifty (150) feet of a residential district; or

4. Up to twenty-five (25) feet in an industrial district when NO LESS THAN one hundred fifty (150) feet of a residential district.

Sec. 28-110. Environmental protection standards.

(d) *Standards for limiting the external effect of uses.* All uses must comply with the following standards which limit their effect on the surrounding area:

- (3) Outdoor storage and waste disposal.
 - a. All outdoor storage and waste disposal facilities must be enclosed by an opaque fence or wall adequate to conceal such facilities from adjacent properties and adjoining rights-of-way and constructed in accordance with the standards established for them in section 28-125 (standards for fences, walls, and landscape berms).
- (e) *Hazardous materials (includes automobile wrecking/salvage yards and junkyards).*
 - (3) Outdoor aboveground storage. Secondary containment structures must be designed to protect containers from the effects of storms, wind, fire and vandalism. Structures that are covered and protected from rain and precipitation must provide secondary containment for ten (1) percent of the volume of all containers or the volume of the largest container, whichever is greatest. Structures that are not protected from rain and precipitation must provide secondary storage capacity to hold one hundred fifty (150) percent of the stored substances unless the zoning administrator (or designee) or planning commission approves a less quantity. Whether open or covered, the above ground storage area shall also be fully screened from view at all abutting parcel perimeters.

Sec. 28-111. Temporary uses and structures.

- (c) *Seasonal uses.*
 - (1) Sidewalk cafes. A sidewalk café is permitted provided the following standards are met:
 - a. All uses must comply with the following standards which limit their effect on the surrounding area:
 - i. The tables, chairs, and other appurtenances must be associated with the building containing the restaurant or business, owned or leased, by the person operating the sidewalk café.
 - ii. The tables, chairs, and other appurtenances must be placed in a way that a clear pathway of at least five (5) feet (eight (8) feet on Michigan Avenue) in width – free of street trees, street furniture, signs, and other obstructions – is maintained along the section of the sidewalk closest to the building.
 - iii. The tables, chairs, and other appurtenances shall not be permanently anchored to the sidewalk in any manner.

- iv. Ingress and egress from the building or driveway shall not be blocked or obstructed by any such appurtenances.
- v. All temporary fencing shall comply with the provisions of this chapter.
- b. Plot site plan (PSP). A PSP comply with the requirements of subsection 28-135(e) of this chapter must be submitted for the review and approval of the zoning administrator (or designee)
- c. Other city standards. The café must comply with all pertinent municipal regulations.

Sec. 28-115. Building design standards.

(c) *Exterior wall design standards.*

Footnotes to the Table of Acceptable [Exterior/Wall] Materials.

- i. Must be clapboard, cedar shingles, or similar materials approved by the chief building official and zoning administrator (or designee) upon the review of building façade elevations submitted by the applicant. Any grade of plywood, oriented strand board (OSB), T-111 siding, and similar materials are strictly prohibited on any portion of a structure because they are not finished building materials and do not under any circumstances weather like the other reference exterior/wall materials.

(d) *Roof design standards for principal structures.*

(7) Screening of rooftop equipment.

New or replacement rooftop equipment, including but not limited to, HVAC, kitchen vents, hood or exhausts equipment, shall be screened from view of adjacent properties and the nearest public rights-of-way and the nearest public rights-of-way on all sides the property. The method to screen rooftop equipment must complement the buildings color sale, materials, and architectural style unless the building official and/or zoning administrator can demonstrate a hardship which requires modification and/or waiving this requirement. Rooftop screening on a one story structures may be accomplished by using ground level vegetation that will mature in growth within five (5) years at the time of planting; location of the planting will be at the discretion of the zoning administrator (or designee). The zoning administrator (or designee) may require cross-section details to confirm compliance.

(e) *Fenestration requirements for all new buildings, and where practical in rehabbed building, in the R-4, R-6, C-1, C-2, C-3, and C-4 districts.*

- (3) Windows above the first floor must be vertical in proportion (whether a single unit or combined units) unless deemed impractical due to structural limitations in which case all windows must be broken-up to maintain the same vertical proportion.

- (4) Windows and glass doors must be clear glass and not tinted. Samples shall be provided in advance of installation to ensure compliance with this requirement.

Sec. 28-120. Accessory structures.

Accessory structures may be erected as an integral part of the principal use or may be erected detached from such principal use.

- (2) Detached. The following provisions apply to detached accessory structures and garages.
 - a. Location and size.
 - 1. Shall be no larger than the first floor of the principal structure and shall not occupy more than thirty (30) percent of any require rear yard space or more than twenty (20) percent of any required side yard space; and
 - 2. – 4. Unchanged; and
 - 5. Shall not occupy any portion of the required front nor be located closer to the road right-of-way than the established front building line; and
 - 6. Garages/sheds are limited in quantity to two (2); and
 - 7. All finished materials shall complement the principal structure; and
 - 8. All exterior utilities (i.e. A/C compressor) shall be shielded from public view at a height no less than that of the structure and constructed of a material complementary to the principal structure.
 - c. Swimming pools. Swimming pools may be erected exclusively for use of residents of the property and their guest, provided that no such portion shall be located within the portion of the prescribed front yard. Side and rear yard set-back of at least eight (8) feet in depth must be maintained. Fencing must be provided in advance of utilizing the pool and designed/built as required by the most current edition of the International Building Code.
 - d. Satellite dishes. All satellite dishes shall be mounted on the rear wall of a structure and/or in the rear yard, and where practical fully screened from view at the road right-of-way.

Sec. 28-125. Standards for fences, walls, and landscape berms.

All fences, walls, and landscape berms of any nature, type or description located in the City of Jackson must conform to the following regulations:

- (c) Fences and walls in residential districts and manufactured housing communities.

- (5) Fencing materials must be all weather and zero maintenance. If using treated wood (lattice design is prohibited) it must meet the American Wood Protection Association’s UC4B standard for ground contact (heavy duty).
- (d) Fences and walls in commercial and industrial districts.
 - (4) All fences and walls must be ornamental in nature and should be made of wrought iron, wood (excluding lattice design), brick, stone, and similar replication of these materials. However, when abutting residentially zoned and/or used property, and when used to screen parking or outdoor storage areas, the fence must be constructed of an opaque weatherproof material.
- (f) Prohibited fences. The following fences are prohibited:
 - (7) A fence with all metal opaque paneling (e.g. barn siding roof material, etc.) unless it is part of a conditional use permit request for an automobile wrecking and salvage yard (see subsection 28-71(14) of this chapter), junkyard (see subsection 28-71(80) of this chapter, or similar use. However, the zoning administrator may consider the use of these materials if deemed complementary to the primary structure.

ARTICLE V. DEVELOPMENT APPROVAL PROCEDURES

Sec. 28-130. Nonconforming lots, building, structures, and use of buildings, structures and land.

- *Verify the proper usage of buildings versus structures (multiple locations)*
- *Define ordinance repairs (multiple locations)*

Sec. 28-135. Site plan review procedures and requirements.

(e) Required site plan contents. The following data must be included with and as part of, all applications requiring site plan review:

Table of Required Site Plan Data		
	FSP	PSP
Topography on the site and within 100 feet of the site at six (6) inch contour intervals, referenced to a USGS benchmark;	X	

Renumber rest

Sec. 28-160. Planned building group shopping center.

- (5) Screening. No building shall be setback less than twenty-five (25) feet from any boundary of the tract on which the shopping center is located . . .

ARTICLE VI. DISTRICT CHANGES AND AMENDMENTS

Sec. 28-183. Procedures for change.

The application for a proposed zoning change shall be directed to the planning staff on forms prescribed for such purposes, accompanied by sufficient information, so as to assure the fullest presentation of facts for the permanent record.

(1) By application. . .

- e. Action by city council. Such amendment, supplement, or change, accompanied by the report of the city planning commission, shall then be presented by the city council. The city council shall consider the proposed amendment, supplement, and notice requirements prescribed in this section. Such amendment, supplement or change may be adopted or denied only by the affirmative votes of no less than four (4) members of the city council.

ARTICLE VIII. ZONING BOARD OF APPEALS

Sec. 28-238. Variances.

(b) The board shall not grant a variance for the expansion of a use otherwise prohibited (except for as set forth in subsection (a)(3) above) and shall not grant a variance because of the presence of nonconformities in the zoning district or adjoining zoning districts.

Sec. 28-242. Appointment and membership.

(a) The zoning board of appeals shall consist of five (5) members and two (2) alternate members appointed by the mayor with the approval of the city council for three-year terms. . .

Sec. 28-243. Meetings.

The zoning board of appeals shall adopt rules and procedures for its meetings, which shall be held at the call of the chair and at such times as the board may determine. Such meetings shall be open to the public. A record of its proceedings, showing the action of the board and the vote of each of the members on every question considered at its meetings shall be kept. The presence of a majority of its members shall be necessary to constitute a quorum.

ARTICLE IX. SIGN REGULATIONS

Sec. 28-253. Signs subject to permit or other approval.

The signs outlined in the following table are subject to a permit or other approval s indicated. Unless stated otherwise within the article, all other sign types are exempt from the permit requirements. The design requirements and other provisions for such sign are also prescribed. Permit application requirements are found in Sec. 28-254. These signs include the following and are defined in Sec. 28-5.

Table of Sign Standards for Signs Subject to a Permit Unless Otherwise Specified			
	Sign Types, Districts Permitted Required approvals	Size Restriction	Additional Restrictions
(f)	Monument (Ground) Signs	Unchanged	Unchanged

	<p>Permitted in the R-4, R-6, C-1, C-2, C-3, C-4, I-1, and I-2 Districts subject to a sign permit.</p> <p>Permitted in the R-1, R-2, and R-3 Districts subject to conditional use approval (Sec. 28-147)</p>		
(g)	Murals (rest unchanged)	<p>Number: One (1) per structure</p> <p>Total Sign Area: no more than 50% of any one wall area</p>	Colors and design shall complement the structure and neighborhood
(l)	<p>Wall Signs</p> <p>Permitted in the R-4, R-6, C-1, C-2, C-3, C-4, I-1 and I-2 Districts, subject to a sign permit</p>	<p>Number (no change)</p> <p>Total Sign Area (no change)</p> <p>Height. Signs to be placed on the wall below the roof line for one story buildings and below the bottom of the second floor for multiple story buildings in the downtown (C-3 district) and as a conditional land use when located above the second floor of a building.</p>	Unchanged

Section 4. Effective Date

This Ordinance takes effect thirty (30) days from the date of adoption.

MEMO TO: Mayor and City Councilmembers

FROM: Patrick H. Burtch, City Manager

DATE: November 15, 2016

SUBJECT: Approve Amendment #1 to the Engineering Professional Services Agreement with Wade Trim to Design an Ultraviolet Disinfection System for the Wastewater Treatment Plant.

Recommendation:

Approve Amendment #1 to the Professional Services Agreement with Wade Trim to develop and design an ultraviolet light disinfection system at the City's Wastewater Treatment Plant (WWTP). An ultraviolet light disinfection (UV) system would eliminate the use of sodium hypochlorite and sulfur dioxide for disinfection and de-chlorination, thereby creating a safer, more efficient work environment at the facility.

Wade Trim proposes a cost of \$210,000.00 to continue management and inspection services on the existing construction of a primary clarifier and simultaneously work on the design of a UV system will bring the total amended agreement cost to \$325,250.00. This work is budgeted in 406-548-000-982.006.

Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager

FROM: Todd Knepper, Director of Public Works

DATE: November 15, 2016

RECOMMENDATION: Approve an amendment to the Engineering Professional Services Agreement with Wade Trim to Design an Ultraviolet Disinfection System for the Wastewater Treatment Plant.

SUMMARY

The City of Jackson entered into a Professional Services Agreement with Wade Trim in 2015 to design a new primary clarifier at the City's WWTP, and that construction work is progressing. I have since solicited a proposal from the Wade Trim design team to develop an ultraviolet light disinfection system to replace the current disinfection method of liquid sodium hypochlorite and gaseous sulfur dioxide. Those two chemicals are, by nature, hazardous and the implementation of UV disinfection eliminates the need to handle and store such chemicals in the current quantities. UV disinfection has been readily used across the country for over 20-years, and has been proven an effective and efficient means to disinfect treated water prior to discharge.

BUDGETARY CONSIDERATIONS

Wade Trim has proposed a cost of \$210,000.00 for the design of a UV disinfection system coordinated with the completion of the primary clarifier construction. The amended Professional Service Agreement will bring the total cost to \$325,250.00 and is budgeted in 406-548-000-982.006.

HISTORY, BACKGROUND and DISCUSSION

At one point in the past, the WWTP used chlorine gas to disinfect the water prior to discharge to the Grand River, and due to safety and handling concerns, a switch was made to using liquid chlorine in the form of sodium hypochlorite. Both forms of chlorine must be removed from the water before reaching the river, and sulfur dioxide is added as the final treatment for this action. Both sulfur dioxide and sodium hypochlorite are hazardous materials, and a change to UV disinfection would allow for a safer work environment for our employees and facility neighbors.

DISCUSSION OF THE ISSUE

The use of ultraviolet light systems for the disinfection of wastewater has proven to be an efficient and effective method at many facilities, as well as creating a safer work environment at the facilities, and this method appears to be a proper fit for the City of Jackson's treatment facility and process.

POSITIONS

I recommend approval of Amendment #1 to the Professional Services Agreement between the City of Jackson and Wade Trim in the added amount of \$210,000.00.

WADE TRIM

November 7, 2016

City of Jackson
2995 Lansing Avenue
Jackson, MI 49202

Attention: Mr. Todd Knepper
Director of Public Works

Re: Continuing Work at the WWTP and
Ultraviolet Disinfection Program

Dear Mr. Knepper:

Wade Trim is pleased to have been selected as the consultant for the new primary clarifier project. The design for that project has been completed and construction is well underway. During the past few months we have had several discussions about your desire to add ultraviolet disinfection to the plant to replace the existing chlorine disinfection process. There are several advantages to using UV disinfection over traditional chlorine including eliminating the need for sodium hypochlorite which is very corrosive and eliminating the need to dechlorinate the effluent after the disinfection process.

The UV disinfection process works by exposing the effluent to ultraviolet light at specific wavelengths that kill the bacteria. The success of UV disinfection depends on the clarity of the effluent from the plant. If the effluent is not clear enough, the UV light cannot penetrate and effectively remove bacteria. The effluent from the Jackson plant has been evaluated and was found to be a good candidate for the UV disinfection process.

The UV disinfection equipment consists of a series of UV lamps, associated controllers and cleaning process tanks. The lamps would be placed over the existing chlorine contact tanks, thus, reusing the existing infrastructure to the greatest extent possible. We anticipate that the completed UV disinfection project cost will be in the \$1.3 million to \$1.5 million range.

You have requested that Wade Trim provide a proposal that would extend our existing contract for work at the plant to include the conclusion of the current construction project and the design of the UV disinfection process improvements. We understand this additional work would be done in conjunction with the existing contract and that all contract terms and conditions would apply. We are pleased to provide you with the following scope of services that will continue the renovation at the WWTP to include addition of the UV disinfection process.

Wade Trim Associates, Inc. 734.947.9700
25251 Northline Road 800.482.2864
P.O. Box 10 734.947.9726 fax
Taylor, MI 48180 www.wadetrim.com

Scope of Services

We propose to provide the following services in relation to this project:

1. Conclude construction engineering for the Primary Clarifier project.
2. Prepare a Basis of Design document for the new UV disinfection process. The basis of Design will include the following components:
 - a. Review and selection of the available UV equipment and technologies to determine which is best suited for the Jackson WWTP;
 - b. Determine if the UV equipment will be contained in an enclosed building versus an open-air installation;
 - c. Determine the optimal location for the UV installation for cost-effective access and operation of the equipment;
 - d. Establish a sequence of construction so that the plant can continue to operate within permit parameters during construction; and,
 - e. Identify a back-up disinfection system and/or identify a back-up power source for the UV disinfection equipment to provide redundancy for the disinfection process.
3. Submit the Basis of Design document to the Michigan Department of Environmental Quality (MDEQ) for review and approval.
4. Prepare 60% design documents in accordance with the decisions and direction from the Basis of Design document. The preliminary design will be presented to the City for review and comment.
5. Prepare 90% design documents including plans and specifications. These documents will be reviewed with the City for final input and comments.
6. Complete and submit a Part 41 Permit Application to the MDEQ for review and approval.
7. Prepare final bidding documents using standard City of Jackson contract language.
8. Assist with the bidding process.

This scope of services will complete the primary clarifier project and will take the UV Disinfection project through bidding to construction. Should construction engineering services be desired for the UV Disinfection project we can provide a separate proposal for those services.

Compensation

We propose to complete this scope of services on an hourly time and materials basis using our current rate schedule for a total cost not-to-exceed \$210,000.00. Costs for services will be billed monthly in accordance with our current practice.

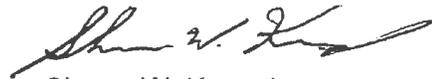

We appreciate the opportunity to provide these professional engineering services to the City. Should you have any questions on this proposal, please contact our office at 734.947.2793.

Very truly yours,

Wade Trim Associates, Inc.

David M. Nummer, PE
Senior Project Manager

Shawn W. Keough
Vice President

MEMO TO: Mayor and City Councilmembers

FROM: Patrick H. Burtch, City Manager

DATE: November 15, 2016

SUBJECT: Contract renewal for as-needed sidewalk snow and ice removal with ABC Lawn and Snowplowing, Jackson, Michigan, for services to include private property and city owned sidewalks.

Recommendation:

Renew a contract with ABC Lawn and Snowplowing for services to include private property and other city-owned sidewalk snow removal at a cost of \$0.12 per lineal foot snowplowing and \$0.12 per lineal foot deicer/salt application in areas outside the immediate downtown.

Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager

FROM: Todd Knepper, Director of Public Works

DATE: November 15, 2016

RECOMMENDATION: Renewal a contract for as-needed sidewalk snow and ice removal contract with ABC Lawn and Snowplowing, Jackson, Michigan, for services to include private property and city owned sidewalk snow removal.

SUMMARY

Snow and ice removal services are required on sidewalks throughout the City on an as-needed basis during the winter months. This includes sidewalks adjacent to city-owned lots as well as sidewalks adjacent to privately owned lots that do not get cleared in the appropriate timeframe following a storm event.

BUDGETARY CONSIDERATIONS

The cost of clearing private sidewalks is invoiced to the property owner, the same as summer lawn mowing services. The cost of clearing city-owned sidewalks is charged to appropriate lot maintenance budgets.

HISTORY, BACKGROUND and DISCUSSION

ABC Lawn and Snowplowing adequately performed the work for the City during the 2015-2016 winter season, and have requested a renewal of the contract at the same cost as last year.

DISCUSSION OF THE ISSUE

The use of a contractor has been beneficial in providing improved snow and ice removal services in areas throughout the City on an as-needed basis.

POSITIONS

I recommend renewal of the contract with ABC Lawn and Snowplowing for snow and ice removal services on private sidewalks and city-owned sidewalks outside the immediate downtown area.

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burtch, City Manager
DATE: November 15, 2016
SUBJECT: **Final Balancing Change Order 3 for 2015 CDBG Local Street Construction Contract**

Recommendation:

Approve Final Balancing Change Order 3 to the contract with Bailey Excavating, Inc. for 2015 CDBG Local Street Reconstruction in the decreased amount of \$14,539.17 to balance contract quantities to match quantities placed in the field and authorize the City Manager and City Engineer to execute the appropriate document.

Attached is a report and documentation from Jon Dowling, City Engineer, regarding approval of Final Balancing Change Order 3 for the 2015 Local Street Construction contract for Hamilton and Van Buren Streets.

I recommend approval of Final Balancing Change Order No. 3. Your consideration and concurrence is appreciated.

PHB

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager
FROM: Jon H. Dowling, P.E., City Engineer
DATE: November 15, 2016

RECOMMENDATION: Approve Final Balancing Change Order 3 to the contract with Bailey Excavating, Inc. for 2015 CDBG Local Street Reconstruction in the decreased amount of \$14,539.17 to balance contract quantities to match quantities placed in the field and authorize the City Manager and City Engineer to execute the appropriate document.

SUMMARY

The attached Final Balancing Change Order 3 is to balance the contract to match quantities placed in the field.

BUDGETARY CONSIDERATIONS

This change order represents a decrease of \$14,539.17 bringing the current contract amount to \$1,376,494.14.

HISTORY, BACKGROUND and DISCUSSION

On June 23, 2015, City Council approved the award of the 2015 CDBG Local Street Reconstruction contract for Hamilton and VanBuren Streets to Bailey Excavating, Inc. of Jackson, Michigan in the amount of \$1,278,902.05. This contract is funded with Water, Sewer, CDBG and Local Street Funds and Special Assessments for street construction.

On February 23, 2016, City Council approved Change Order 1 in the increased amount of \$128,283.48 to balance contract quantities for various items to match quantities placed in the field during the 2015 construction season. In the spring of this year, work on the last phase of the project was completed. Spring 2016 work consisted mainly of water main and sanitary sewer replacement on Blackstone Street between VanBuren Street and the railroad crossing.

Interim Balancing Change Order 2 in the decreased amount of \$16,152.22 was approved on September 6, 2016, to balance items that were substantially complete at the time.

DISCUSSION OF THE ISSUE

Work on the 2015 CDBG Local Street contract is complete. As such, the attached Final Balancing Change Order has been prepared to align contract quantities with quantities placed in the field. As demonstrated on the attached table, the final field quantities for some items are less than contract quantities while others are in excess. The quantities included in the original contract and subsequent change orders were estimates. Now that work is substantially complete, contract quantities must be changed from what was originally estimated to what was actually completed in the field.

POSITIONS

I request approval of Final Balancing Change Order 3 and authorization for the City Manager and the City Engineer to sign the document.

ATTACHMENTS

FINAL BALANCING CHANGE ORDER NO. 3
To Contract for
2015 CDBG Local Street Reconstruction Contract
City of Jackson, Michigan

Notice is hereby given that the following additional information and changes shall become a part of the Contract Documents, Plans and Specifications of the above-named contract.

ORIGINAL CONTRACT AMOUNT	\$ 1,278,902.05
APPROVED CHANGE ORDER NO. 1	\$ 128,283.48
APPROVED CHANGE ORDER NO. 2	(\$ 16,152.22)
CURRENT CONTRACT AMOUNT AS SET BY CHANGE ORDER NO. 2	\$ 1,391,033.31
FINAL BALANCING CHANGE ORDER NO. 3	(\$ 14,539.17)
NEW CONTRACT AMOUNT AS SET BY CHANGE ORDER NO. 3	\$ 1,376,494.14

REASON FOR CHANGE:

To change the authorized quantities to match final quantities placed in the field.

CONTRACT COMPLETION:

The contract completion time remains unchanged.

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burtch, City Manager
DATE: November 15, 2016
SUBJECT: **Final Balancing Change Order 8 to the Parking Lot Construction Contract with Bailey Excavating**

Recommendation:

Approve Final Balancing Change Order 8 to the contract with Bailey Excavating, Inc. for Parking Lot Construction in the increased amount of \$35,619.68 to balance contract quantities to match quantities placed in the field and add items that were necessary to complete work in the field, and authorize the City Manager and City Engineer to execute the appropriate document.

Attached is a report and documentation from Jon Dowling, City Engineer, regarding approval of Final Balancing Change Order 8 for the 2015 parking lot construction project.

I recommend approval of the change order. Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager
FROM: Jon H. Dowling, P.E., City Engineer
DATE: November 15, 2016

RECOMMENDATION: Approve Final Balancing Change Order 8 to the contract with Bailey Excavating, Inc. for Parking Lot Construction in the increased amount of \$35,619.68 to balance contract quantities to match quantities placed in the field, to add items that were necessary to complete the work in the field and authorize the City Manager and City Engineer to execute the appropriate document.

SUMMARY

The attached Final Balancing Change Order 8 is to balance the contract quantities to match quantities placed in the field and to add items that were necessary to complete the work in the field.

BUDGETARY CONSIDERATIONS

This change order represents an increase of \$35,619.68, bringing the final contract amount to \$1,488,958.68.

HISTORY, BACKGROUND and DISCUSSION

On May 26, 2015, City Council approved the award of the contract to Bailey Excavating, Inc. of Jackson, Michigan in the amount of \$1,185,484.10. This contract is for a project that consists of four parts: building the parking lot on the north side of Pearl Street, streetscape and on-street parking on Pearl Street from Blackstone Street to Jackson Street and repaving Lot 14 and the County Building parking lot.

City Council approved Change Order 1 in the decreased amount of \$158,683.35 to reduce authorized quantities for various landscaping items. Change Order 2, in the increased amount of \$45,480.67, balanced quantities and added items for work completed to date. Change Order 3, in the increased amount of \$194,655.00, added work to remove the remaining old pavement in the block surrounding the new Pearl Street parking lot and to establish turf in its place. Change Order 4, in the increased amount of \$24,786.00, added work to remove and replace the concrete pavement within the alley immediately west of the County Building parking lot. Interim Balancing Change Order 5 in the increased amount of \$112,796.44 was to balance items that were substantially complete and add items necessary to complete the work in the field. Change Order 6, in the increased amount of \$61,612.00, added work to complete the non-motorized crossing of the railroad at Trail Street, install fence panels, construct a dumpster enclosure and install a sanitary service for the Glick Highway Development. Interim Balancing Change Order 7 in the decreased amount of \$12,791.86 was to balance items that were substantially complete and add items necessary to complete work in the field, which brought the contract amount to \$1,453,339.00.

DISCUSSION OF THE ISSUE

In late fall 2015, work on 2015 Parking Lot Construction contract was substantially completed and the impacted parking lots and streets were opened for use. A few items of work were added to the contract in the spring of 2016. Currently, all of the contract work has been completed. As such, the attached Final Balancing Change Order No. 8 has been prepared to align contract quantities with quantities placed in the field. As demonstrated on the attached table, the revised quantities for some items are less than the contract quantities while others are in excess. The quantities included in the original contract and subsequent change orders were estimates. Now that work is complete, contract quantities must be changed from what was originally estimated to what was actually completed in the field.

POSITIONS

I request approval of Final Balancing Change Order No. 8 and authorization for the City Manager and the City Engineer to sign the document.

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burch, City Manager *PHB*
DATE: November 15, 2016
SUBJECT: Blackboard Connect Contract Renewal

RECOMMENDATION:

To authorize the renewal of a contract with Blackboard Inc., Washington, DC, for Blackboard Connect services for a one year period, December 19, 2016 to December 18, 2017, in the total amount of \$29,616.49, and authorize the City Manager to execute the document(s) and the City Attorney to make minor modifications to the contract document(s) for the parties if needed.

The City of Jackson has recognized a need to communicate with citizens in the case of an emergency. The Blackboard Connect system has allowed us to provide emergency notifications and community outreach 24 hours a day, without having to invest in or maintain hardware, software, or additional telephone lines. The renewal amount for a one year period is \$29,616.49. Your consideration of this request for the renewal of the contract is appreciated.

GSA Contract Number GS-35F-0554M

Company Information

Blackboard, Inc.
1111 19th Street NW
9th Floor
Washington DC 20036

DUNS Number: 01-613-1430
Tax ID Number: 52-2081178
CAGE Number: 1QLN4
GSA Contract Number: GS-35F-0554M

PLEASE FAX ALL ORDERS TO 818-450-0425
Prices Valid until December 19, 2016

*If you have any questions concerning this proposal, please contact Nakia McWhorter at 615-777-6344.
Please direct all contracting related questions to Hannah Cummings at 202-303-9185.*

To Whom It May Concern:

Service Summary: The Blackboard Connect for Government service allows government leaders to provide notices, direction, and reassurance to reach thousands of constituents in minutes without having to invest in or maintain hardware, software, or additional phone lines. Now, you can reach your entire community—quickly and reliably—with voice, text, and email messages.

Services include:

- An integrated communications suite, including Priority Communication, Community Outreach and Interactive Survey
- Voice and text/SMS delivery to multiple communication devices
- Geo-Calling feature lets you target recipients using a map
- 24/7/365 proactive Client Care support
- Unlimited use for a fixed, annual fee
- Initial set-up, training and refresher training sessions included
- Delivery to up to three phones, two email addresses and one SMS phone per contact
- Superior call routing, throttling, and load balancing expertise
- Fully hosted and managed Software as a Service (SaaS) --- no maintenance required
- Message delivery tracking with comprehensive reporting

Please take special note of Blackboard's GSA Contract Number on page one. The **PO submitted by your organization should reference this number**. If the PO does not reference Blackboard's GSA Contract Number this will delay issuance of your invoice and a new PO will need to be submitted to Blackboard.

If you have any questions or require additional information, please feel free to contact me at 202-303-9190. We look forward to meeting your online teaching and learning needs!

Warmest Regards,

Bill Jones
Associate General Counsel
Blackboard Inc.

MEMO TO: Mayor and City Councilmembers

FROM: Patrick H. Burch, City Manager

PHB

DATE: November 15, 2016

SUBJECT: Loomis Park Master Plan contract.

Recommendation:

Award a contract for the Master Plan of Loomis Park through October 17, 2016 to February 3, 2017 to the lowest bidder, Rowe Professional Service Company of Flint, Michigan in the amount of \$8,330.

Attached is a memo from Kelli Hoover, Director of Parks, Recreation and Cemeteries, regarding the Master Plan contract.

We recommend approval of the lowest bid for the Master Plan of Loomis Park through October 17, 2016 to February 3, 2017 to the lowest bidder, Rowe Professional Service Company of Flint, Michigan in the amount of \$8,330.

Your consideration and concurrence is appreciated.

PHB

DEPARTMENTAL REPORT

MEMO TO: Patrick Burch, City Manager

FROM: Kelli Hoover, Director Parks, Recreation and Cemeteries

DATE: November 15, 2016

RECOMMENDATION: Award a contract for the Loomis Park Master Plan to the lowest bidder, Rowe Professional Service Company of Flint, Michigan in the amount \$8,330.

SUMMARY

The City of Jackson Parks, Recreation and Cemeteries Department opened sealed bids August 29, 2016 for the Loomis Park Master Plan. The bid included Loomis Park, Boos Recreation Center and Recreation Programming.

BUDGETARY CONSIDERATIONS

The lowest bid out of six total received was Rowe Professional Service Company.

Rowe Professional Service Company	Flint, Michigan	\$8,330
Mannik & Smith Group	Monroe, Michigan	\$13,878
Russel Design Landscape Architecture	Northville, Michigan	\$15,000
The Johnson Hill Land Ethics Studio	Ann Arbor, Michigan	\$18,350
Giffels Webster	Detroit, Michigan	\$22,900
Beckett and Raeder	Ann Arbor, Michigan	\$29,840

This project was included in the annual budget. The process of the Master Plan will be completed by February 3, 2017.

HISTORY, BACKGROUND and DISCUSSION

The City of Jackson Parks, Recreation and Cemeteries Department currently have a Department Master Plan and an Ella Sharp Park Master Plan. Through discussion with the City Manager, Parks Board, and local groups the determination that the Department needs a Master Plan for Loomis Park with community involvement to help meet the needs of the City Residents.

DISCUSSION OF THE ISSUE

The Master Plan contract is important to assure that all areas are covered when looking at Loomis Park and the Boos Recreation Center and the plan will outline priorities when looking at Park updates in the future.

POSITIONS

I recommend awarding the contract to lowest bidder, Rowe Professional Service Company of Flint, Michigan in the amount \$8,330 for the Master Plan of Loomis Park.

RE: Loomis Park Master Plan

ROWE Professional Services Company is pleased to provide this proposal for the above-referenced project. Our goal is to create a concept plan, providing a clear vision for improvements to Loomis Park.

ROWE has extensive experience in recreation planning and design. We have included JFR Architects, PC, to assist with the evaluation of the Boos Recreation Center. Our strengths for this project include:

- Proven community engagement methods; an ability to blend staff and public input to the creative process and master planning
- A design approach with construction issues and maintenance in mind; offering design options that maximize user experience and market appeal while minimizing long-term maintenance/operation costs, and environmental impacts
- Established team relationships, providing recreation planning during the last 54 years for a variety of local, county, and state agencies

We are able to meet with you to tailor our approach to best meet your budget and goals. Once again, thank you for the opportunity to provide you with our proposal. Should you have any questions, please feel free to contact me at (810) 341-7500.

Sincerely,
ROWE Professional Services Company

Douglas R. Schultz, PLA
Project Manager / Director of Landscape Architecture

Qualifications of the Primary Staff

*Douglas Schults, PLA (ROWE)
Project Manager*

Doug has developed recreation projects and site master plans for 25 years. He has led community engagement for recreation planning for the length of his career. His work with a variety of city, county, and state recreation agencies provide insight into current industry trends. Doug will manage the project team and ensure tasks are completed on time. He will be the primary contact for the city.

*Jack Wheatley, PE (ROWE)
QA/QC and Project Engineer*

Jack has been an engineer at ROWE for more than 25 years. His experience in parks and recreation design make him a perfect fit for this project. Jack will provide engineering input into the concept development and will also provide a QA/QC role for the project.

*Blake Strazier (ROWE)
Graduate Landscape Architect*

Blake will assist with concept development and preparation of deliverables. Blake has been involved with various recreation planning and concept plan projects from the initial vision through construction.

*James Renaud, AIA, NCARB (JFR Architects, PC)
Principal Architect*

With more than 20 years of experience, James will assist with the evaluation of the Boos Recreation Center and provide recommendations for architectural improvements. James has worked with ROWE on various recreation master planning and design projects including work for Dearborn Heights and Oakland County Parks and Recreation for more than 10 years.

Past Projects

See attached document following the resumes.

Approach / Community Involvement

Background

Located north of E. Michigan Avenue between Edgewood and Gilbert Streets, Loomis City Park features the Boos Recreation Center, two outdoor basketball courts, two outdoor tennis courts (developed with an MDNR grant in 1980), picnic shelter with grills, and a community-built wooden play structure. The recreation center hosts a variety of classes, events, and workshops year-round. Programs involve every age group, from early childhood to seniors, and include everything from yoga and arts and crafts to gymnastics and toddler classes. Land use adjacent to the park includes neighborhoods, Allegiance Health, and New Tribes Bible Institute. The park is approximately 14 acres. The city would like a master plan developed for the site that addresses the following.

- Opportunities to expand programs
- Recommendations to improve marketability and user experience
- Evaluate and recommend action for existing site features

- Identify improvements that may increase net operating revenue
- Identify additional services to be offered by the city
- Evaluate park appearance and restoration
- Provide a priority list of improvements

Scope of Work

ROWE will facilitate a workshop with community members as the primary tool for public engagement. This workshop is important because it will provide face-to-face interaction with residents and provide an opportunity for residents to give input in the parks system planning process. By engaging residents regarding the parks programs and activities, a clearer understanding of both the community's needs and the expectations residents have for the parks and recreation department can be developed.

We would preface this meeting with a brainstorming session with city staff. The workshop would have some ideas presented in a draft format for comment by the public. We have found it productive to have something to react to instead of a blank sheet. The information collected from the workshop will be reviewed by parks staff and ROWE staff to draft an action plan for park / site improvements. ROWE intends to coordinate the community workshop with the director of parks and recreation to be linked with a peak event or program in the community to secure as much input from residents as possible. This idea is to 'go where the people already are' instead of trying to draw them out to a special meeting. We have also included in this proposal supplemental options for public engagement as additional services.

Direction for the plan development will be through a single representative of the City of Jackson Parks and Recreation and Grounds Department.

Schedule

Work Items	Months				
	1	2	3	4	5
<ul style="list-style-type: none"> • Conduct a kick-off meeting and site investigation. (meeting 1). • Plan public engagement / staff brainstorming session as part of kick off meeting. • Prepare base maps using GIS parcel and utility information provided by the city and existing aerial images. • Prepare documents for public meeting and review by city staff. 					
<ul style="list-style-type: none"> • Conduct community open house/workshop (time may vary if coordinated with a specific event or program (meeting 2). 					
<ul style="list-style-type: none"> • Review information collected from community open house/workshop. • Develop action plan and preliminary concept plan. 					
<ul style="list-style-type: none"> • Provide plan to city staff for review. • Meet with city staff to review concept plan and prioritize action items (meeting 3). • Revise concept plan. 					
<ul style="list-style-type: none"> • Approval meetings and presentations to parks board and city council by city staff. 					
<ul style="list-style-type: none"> • Final deliverables include a .pdf report and color concept site plan image for reproduction by city and use in future grant applications, website, etc. 					

Notes:

1. ROWE staff will attend a total of three meetings.
2. No permit applications or environmental investigations are included in this scope of work.
3. No survey, design engineering, cost opinions or grant applications are included in this scope of work.
4. Coordination of public meetings, venue, invitation / notices to public and reproduction of materials to be provided by city.
5. ADA compliance, M/E, Structural or Architectural design not included.

Cost of Project

The lump sum fee is \$8,330.

Additional Services

As an option, ROWE can provide the city with media/public engagement tools to help collect data and community feedback. All of the following would be considered additional services and not included in the above lump sum fee. ROWE can negotiate these services and market them to best meet the needs of the city, if requested.

- ROWE can create a Facebook page specific to the project on which input is sought. The City of Jackson can post the dates of events, receive messages, and promote drafts of plans. The director will receive information reporting how many people are viewing the page daily.
- ROWE staff can attend additional meetings with specific stakeholder groups or complete intercept surveys at recreation programs.
- ROWE can develop an online survey tool for those that may not be able to attend the workshop meeting. This would utilize Survey Monkey and can be posted as a link on the city website.

DOUGLAS R. SCHULTZ, PLA

Project Manager / Director of Landscape Architecture

Doug joined ROWE in 2000, after nine years as a landscape architect with a Lansing-area multi-disciplined firm. As director of ROWE's landscape architecture department, Doug assists clients corporate-wide with quality of life issues on all projects, from concept to completion. He was named an associate (company shareholder) in 2003.

Client Comments

- "...I want to thank you again...for the fine end product...and for you and Blake working within the project scope and limited financial resources. I look forward to working with your firm in the future..." 2014, Vince Paris, Southern Lakes Parks and Recreation (Five-Year Parks and Recreation Plan)
- "ROWE ended up being the perfect partner in this effort...they took the time necessary to listen to staff, to learn about the broad goals of our organization, and proposed thematic elements and alternative materials that could make the design a reality...Kudos to the whole crew for pushing the envelope." 2014, Jon Noyes, Oakland County Parks and Recreation Commission (Paradise Peninsula)

CITY OF JACKSON, MICHIGAN
Loomis Park Master Plan

DOUGLAS R. SCHULTZ, PLA *continued*

Relevant Project Experience

Village of Lake Orion DDA, MI / Michigan Department of Transportation

- *Paint Creek Trail Extension:* Project manager for project that included preparing a successful TIP application and completing survey and design. This included routing a one mile of trail within an urban setting that includes a central business district and historic residential neighborhoods, connecting existing trails and key destinations. The project required negotiating easements through a commercial property, coordination with an existing county sewer easement, Michigan Department of Environmental Quality joint flood plain permit, inclusion of an existing timber bridge, and the addition of a rapid flashing beacon pedestrian crossing. Extensive ADA upgrades at intersections were needed (\$360K construction; ongoing).

City of Imlay City, MI

- *Park Concept Plan Development:* Provided various schematic site plans for proposed improvements to local parks based on community input sessions. Included within city's five-year community recreation plan (2011).

City of Owosso DDA, MI

- *As-Needed Landscape Architecture Services:* Project manager/lead landscape architect assisting city/DDA with project scoping, design, and implementation of a \$1M "Vibrant Cities" grant through MSHDA. Developed fast-track concepts for: improvements to riverfront area (including a walk of history interpretive/memorial wall), parking lot, alleyway, and Farmers Market; development of a new town square; and streetscape reconstruction. Provided oversight to architectural subconsultant (WTA Architects) for a historic facade program to maximize impact for current funding. Coordinated a major historic building renovation with private stakeholders, in conjunction with the MSHDA grant that required SHPO review of facade concepts (2007-2008).

City of Owosso, MI

- *Trailhead Development:* Developed trailhead connection along the Shiawassee River that included redirecting vehicular access to provide barrier-free ramps to connect to existing river trail. Design included a retaining wall, landscape, and bridge railing (2007).

City of Clio, MI

- *Clio Riverfront Park Master Plan:* Developed master concept plan for a 20-acre riverfront park with close proximity to the downtown business district and residential areas. Addressed vehicular circulation, addition of rental pavilions, linkage to regional non-motorized trail, and a regional outdoor music theater (2013).

City of St. Clair, MI

- *Klecha Park:* Provided concept master plan including a forecast for meeting recreation needs for a city park facility balanced with growth need for the adjacent city cemetery (2016).
- *Pedestrian Trail Study:* Conceptual design of trail extending from Rotary Park west to Fred Moore Highway, and along Fred Moore Highway to 15th Street where it will connect to the existing trail (2010).

City of Vassar, MI

- *Trailhead Grant Application:* Assisted the city with an MDNR grant concept and cost estimate for grant application to develop a linear trail gateway (\$1.6K fee; 2013).
- *Veterans Park Memorial Concept:* Developed concept options and illustrations for renovating the existing downtown pocket park to include veteran memorial elements and to rehabilitate an existing water feature (\$1.5K fee; 2012).

Oakland County Parks and Recreation Commission, MI

- *As-Needed Services:* Provided as-needed landscape architecture, engineering, and architecture design services for small to mid-size projects, teaming with JFR Architects, Inc. (2006-17).

JACK T. WHEATLEY, PE

Quality Assurance / Quality Control & Project Engineer

Jack joined ROWE in 1989, and has served as project engineer and project manager on many projects. He has also worked with numerous funding sources and processes, including MDOT, STP, HES, HPP, Category A and C, Community Development Block Grants, MDNR Recreation Grants, and Transportation Enhancement Grants. He was named an associate (owner) in 1995, promoted to senior project manager in 2006, and to principal/vice president, director of corporate marketing in 2010.

Relevant Project Experience

City of Bay City, MI Electric Power and Light Department

- *Electrical Substation Buffer*: Development of ornamental screening options that complement with the historic city hall and future riverfront development theme. Design included fast-track pre-cast decorative wall, landscape, irrigation and site improvements including planning commission and aesthetic committee review. Safety factors for substation requirements were also met (\$300,000 construction; 2010).

City of Bay City, MI

- *Uptown Bay City* (Awarded 2015 Engineering Merit Award, American Council of Engineering Companies-Michigan): Project manager for brownfield riverfront multi-use redevelopment. As the city engineer, ROWE worked with the developer on both public and private site

CITY OF JACKSON, MICHIGAN
Loomis Park Master Plan

JACK T. WHEATLEY, PE *continued*

improvements to create a walkable riverfront community including medical facilities, housing, office spaces, hotel, retail shops, entertainment, parks, marina, and civic facilities. The proposed riverfront includes the construction of a public river walk that will eventually connect the riverfront park in front of Breaker Cove to the south of the site and Wenonah Park to the north of the site. The project will be completed in multiple phases over the next several years. The initial phase of the project includes construction of the anchor tenant buildings, public utilities, mass grading, public road, and northerly parking lot construction (public infrastructure \$15M; Phase I overall \$50M; 2015).

City of Flint, MI

- *University Park Estates (Awarded 2000 Eminent Conceptor Award for Surveying Excellence, American Council of Engineering Companies-Michigan):* Utility design and construction management for 90-acre, renaissance-zone subdivision project (1999).

Charter Township of Montrose, MI

- *Township Park:* Design engineering for parking lot, new 1.25-mile trailway, pavilion, four soccer fields, playground, and fishing pier on Flint River (MDNR funds; 2003).

Thetford Township, MI

- *Water Park Planning:* Developed preliminary concepts and budget for township water park (2000).
- *Community Center:* Design included fountain area, brick paved plaza, barrier-free walkway and naturalized landscaping (1996).

Charter Township of Flushing, MI

- *Nature Park:* Planning and design for creation of new 123-acre nature park along the Flint River in Genesee County. Improvements included construction of an entrance drive and parking area, pavilion, restrooms, observation tower, and storage area (various MDNR grants; 1998-present).

Charter Township of Mundy, MI

- *Parking Lot Improvements:* Project manager for parking lot improvements at the Mundy Township Police Station, Fire Station #1, and Fire Station #2. Project included HMA joint and crack repairs, pavement repairs, sidewalk ADA ramp replacement, HMA microsurfacing, concrete paving, HMA paving, curb and gutter replacement, storm sewer, and site grading. Services provided included design engineering, topographic survey, contract document preparation, advertising, bidding, award recommendation, construction inspection, construction engineering, and construction staking (\$220K construction; 2011).

Flushing Community Schools, MI

- *Seymour Elementary Recreation Complex:* A MDNR grant application was written by ROWE for a four-phase recreation complex on a 60-acre school site. Two phases of the grant application were funded; Seven-field soccer complex and a supporting building. Soccer fields were arrayed in two rows and designed out of a rolling farm field, with approximately 30,000 cubic yards of earth tiered and shaped. The following year, a 30- x 80-foot support building was designed and constructed adjacent to the new fields. The multi-functional building provided an open pavilion, a concession room, two barrier free restrooms, drinking fountains and a storage room (1996).

Swartz Creek Community Schools, MI

- *Site Renovations:* Design approximately 1,700 feet of roadside ditch, beginning at Spillane Drain and continuing westerly along the south side of Crapo Street. Property survey on 15.1 acres at Dieck Elementary School. The project involved staking total property, preparing metes and bounds descriptions according to Public Act 132, providing line stakes for fence placement and determining the difference between deed lines and actual title lines. Property survey on the bus barn property along Cappy Lane (1999).

BLAKE D. STROZIER

Graduate Landscape Architect

Blake joined ROWE in 2013 and is responsible for preparing color renderings, concept drawings, construction documentation, and planting plans while aiding in overall site development, design, and construction observation and testing.

Client Comments

- *"Blake is...a great listener and saw some of the "out of box" concepts I was interested in. I really appreciated that. He is a wonderful representation of the kind of people I've come to know at ROWE over the last 20+ years."* 2014, Vince Paris, Southern Lakes Parks and Recreation (Five-Year Parks and Recreation Plan)

Relevant Project Experience

City of Farmington Hills, MI

- *Riley Archery Range:* Worked closely with city staff as a partnership to design a precedent-setting outdoor archery range and parking expansion. The concept and site design required extensive grading and sensitivity to the adjacent drain, historic art facility, and nearby nature center. Tasks were shared with city staff to minimize project costs (2014).

City of Flint, MI / Michigan Department of Transportation

- *Genesee Valley Trail:* Graduate landscape architect for developing a successful TIP application and modifying preliminary concepts prepared by a previous consultant. Managed a fast-track (three-month) survey and design for 1.5 miles of trail within an urban setting, connecting existing trails and key destinations. Completed materials testing during construction (\$656K construction; 2014).

City of Clio, MI

- *Trail Improvements:* Graduate landscape architect assisting with improvements to the city's trailway system (2014).

City of Flint, MI

- *Grand Traverse Trail:* Graduate landscape architect assisting with data collection necessary for property acquisition for potential development of trailway (2013).

City of Omer, MI

- *Five-Year Parks, Recreation, and Non-Motorized Plan:* Graduate landscape architect leading committee through development of its five-year recreation plan, including goals, objectives, and action plan for various park facilities, concept

CITY OF JACKSON, MICHIGAN
Loomis Park Master Plan

plan development, and non-motorized plan. Project was paid for with grant funds through the Central Michigan District Health Department (2013).

City of Lapeer, MI

- *Court Street Redesign:* Concept and design for urban rain garden, pedestrian plaza, and trailhead as part of a downtown street reconstruction (\$1M construction; 2014).

City of Mt. Pleasant, MI / Charter Township of Union / Friends of the Dog Park

- *Mission Creek Dog Park / Hannah's Bark Park:* Graduate landscape architect for the completion of feasibility study, design concepts, and construction plans for a three-acre off-leash dog park that offers residents and their canine friends a place to have fun, socialize, and exercise. This included use of local effort and fundraising (\$117,600 construction; 2015).

Village of Byron, MI

- *Downtown Development Authority Visioning:* Public engagement and master planning for downtown placemaking, including streetscape and water trail development (2014).

Village of Lakeview, MI

- *Downtown Pocket Park:* Preliminary engineering services for the creation of a pocket park next to the village hall. Project included creation of exhibits and a cost estimate. Project was paid for with DDA funds (2014).

Village of Ortonville, MI

- *Non-Motorized Concept:* Assisted the village in preparing a conceptual drawing illustrating a non-motorized master plan that provides connection with the statewide Iron Belle Trail (2013).

Mundy Township, MI

- *Five-Year Recreation Plan:* Graduate landscape architect leading committee through development of its five-year recreation plan, including establishing goals, objectives, developing an

BLAKE D. STROZIER *continued*

action plan, and assisting township in concept/site renderings for potential park properties (2015).

Keep Genesee County Beautiful, Flint, MI

- *Neighborhood Concept Master Plans:* Graduate landscape architect developing neighborhood concept master plans for various park locations, based on engagement with "park tender" stakeholder groups in each neighborhood surrounding the park locations. Successive updates have been completed yearly since 2012 (2014).

Southern Lakes Parks and Recreation, Fenton, MI

- *Five-Year Parks and Recreation Plan:* Graduate landscape architect leading committee representing Fenton Township, City of Fenton, and City of Linden through development of its five-year recreation plan. Helped define the role of the commission, expanding from programs and community education to facility development and increasing the service area (2014).

Grayling Country Club, Grayling, MI

- *Golf Tribute:* Graduate landscape architect for the development of a memorial concept plan and illustration in memory of local youth. The illustration is being used to raise funding for a project adjacent to the clubhouse (2013).

Greater Flint Baseball Association, Genesee County, MI

- *American Legion Baseball Complex Master Plan:* Graduate landscape architect providing master planning to expand and improve a 75-acre travel league baseball complex including new fields, drainage, parking, storage and practice facilities, walking trails, and other amenities (2015).

Following is Experience with Other Firms

North Flint Reinvestment Corporation, Flint, MI

- *Neighborhood Revitalization:* Executive director leading various projects with community engagement and neighborhood revitalization (2011-12).

Detroit Chapter Board of Directors – Vice-President for American Institute of Architects 2012

Awarded AIA Detroit Chapter "Young Architect Honor Award" - 2011

Chair-person for AIA Detroit, Building Codes and Regulations Committee 2008-2010

International Code Council Member

State of Michigan 2008 Code Committee Member

State of Michigan 2008 and 2009 Energy Code Committee member

Member of USGBC Detroit Chapter

With over 26 years of experience Mr. Renaud's encompasses a wide range of building types from commercial retail, municipal, educational projects to residential and interior architecture. Mr. Renaud's area of expertise is in the development and management of construction documents, code analysis, and construction administration.

He demonstrates honed technical acuity and provides functional and value driven solutions and is considered an expertise in the area of Building Codes, Accessibility Regulations and Energy Codes. He has served for years on the Detroit Chapter - AIA Building Codes and Regulations Committee and has chaired this body for four years. Additionally, he has served on the State of Michigan Code Committee updating and refining standards and best practices for the past three review cycles; in 2003, 2006 and 2009.

His many years in the field, serve James well. He is the kind of valued architect that sees design beyond its documentation. Construction managers and clients alike consider him a vital resource ensuring that their facilities are built right. James received his Masters of Architecture degree with Distinction from the University of Michigan. Clients rely on James for his thorough project management process, excellent communication skills and personal dedication to the project outcomes. James has over 26 years of professional experience with over 21 year specifically in public architecture and demonstrates an ability to maximize value delivered. James provides the highest level of commitment, responsiveness, and thorough project delivery to each of his projects.

Past Projects

ROWE completed the following projects on time according to the client's schedule.

VETERANS MEMORIAL PARK, Stanton, MI

Client: City of Stanton

Contact: Jake Eckholna, Stanton/Lakeview Manager, (989) 831-4440, lakeviewvillagemanager@gmail.com

Completed: ongoing

Recently awarded the construction and planning contract for the City of Stanton Veteran's Memorial Park. The project includes the development of a memorial in the park along with park amenities. ROWE will be coordinating with the city as well as various other community partners both in the development as well as in the process of finding financial sources to complete the park. The city is currently in the beginning stages of crafting a master plan, which the veteran's memorial will complement.

DEARBORN HEIGHTS PARK IMPROVEMENTS, Dearborn Heights, MI

Client: JFR Architects / City of Dearborn Heights Parks and Recreation Department

Contact: Ken Grybel, Director, (313) 791-3600, recreation@ci.dearborn-heights.mi.us

Completed: 2009

Developed concepts and design and provided construction assistance for a CDBG-funded neighborhood park re-development. Options considered maximizing parking and creating safe pedestrian circulation in conjunction with library and city hall. Elements included building demolition, parking lot, hockey rink, basketball courts, pathway repair, splash pad/spray park and pavilion. Investigated value of well-vs-city water source and new technologies for grey water capture and re-use.

Past Projects

LAKESIDE PARK, Port Huron, MI

Client: City of Port Huron

Contact: Nancy Winzer, Parks & Recreation Director, (810) 984-9760; winzern@porthuron.org

Completed: 2016

Developed concepts and design for redeveloping a regional beach site on the Lake Huron shoreline. Project includes universally-accessible features funded by private, city, and MDNR grant funds, including a splash pad, concession/restroom building, shade trellis, beach access/overlook, demolition, and other site amenities. Permitting due to high-risk erosion and coordination with utility upgrades and geotechnical issues were necessary. The splash pad design evaluated a storm water diversion solution. The project was fast tracked within a four-month window for design. ROWE also assisted with construction.

RILEY ARCHERY RANGE, Farmington Hills, MI

Client: City of Farmington Hills

Contact: Bryan Farmer, Deputy Director of Special Services, (248) 473-1805, bfarmer@fhgov.com

Completed: 2014

Worked closely with city staff as a partnership to design a precedent-setting outdoor archery range and parking expansion. Concept and site design required extensive grading and sensitivity to the adjacent drain, historic art facility, and nearby nature center. Tasks were shared with city staff to minimize project costs. Awarded 2015 Facility Design Award, Michigan Recreation and Park Association

Past Projects

AS-NEEDED SERVICES, Oakland County, MI

Client: JFR Architects PC / Oakland County Parks and Recreation Commission

Contact: Mike Donnellon, Landscape Architect, (248) 858-4623, donnellonm@co.oakland.mi.us

Completed: 2006-2014

- *Addison Oaks Improvements (Leonard, MI):* Civil site design adding a pavilion, barrier-free parking, and accessible pathway, including associated grading, signage, details, and coordination with architect and construction manager (2014).
- *Dixie Gulley Run:* Concept and site plan development for an off-road vehicle test event. ROWE advised the county and coordinated with the township, private land owners, and stakeholder groups for the construction and operation of a temporary test event within an existing surface mining site. ROWE coordinated sound testing for the event as well (2014).
- *Horse Barn, Springfield Oaks:* Site plan and storm drainage design for a 13,000-square-foot sheltered arena (2014).
- *Dixie Gully Run ORV Park (Holly, MI):* Master planning of 900-acre mine reclamation site, including site design and construction observation for an ORV demonstration phase. Included coordination with county staff and various stakeholders to organize a promotional event including sound testing for future phases (\$75K construction; 2014).
- *Fairgrounds (Davisburg, MI):* Master planning assistance for 600-acre potential fairgrounds site, mine reclamation, water sports, highway access, and linkages to adjacent state, county, and private recreation. Business models include retail and housing development and partnering with township and private entities.
- *Waterford Oaks Water Park / Winter Sports Facilities (Waterford, MI):* Master planning assistance on updating existing water park and winter sports facilities for better shared and multi-season use. Suggestions were made for feasibility of large-scale earthwork and land shaping (2006).

Past Projects

MAX BRANDON PARK FORESTRY STUDY & MASTER PLAN, Flint, MI

Client: Keep Genesee County Beautiful

Contact: Karen West, Director, (810) 767-9696, kwest@kgcb.net

Completed: 2009

Completed a 53-page forestry study and master plan for Max Brandon Park that provides vital information and recommendations for physical improvements and maintenance of the park. Once called Forest Park, the 107-acre wooded site – with its pavilions, playgrounds, walkways, parking lots, forested wetlands and nearby Bunche Elementary School – had been suffering because of an overwhelmed parks department and lack of maintenance due to budget shortfalls.

ROWE collected input from park users, staff and students at the elementary school, and the neighborhood residents. ROWE worked with a horticulturist to create a method to inventory and analyze the condition of the forest. They catalogued a diverse

sampling of trees in an electronic database and identified three zones of the park, from low to high, to prioritize tree maintenance based on the amount of park use. For the project, ROWE collaborated with Keep Genesee County Beautiful; the Genesee County Parks and Recreation Commission; Applewood Estate; and Salem Housing Community Development Corporation.

This forestry study has proved to be an effective tool as gardens are now being maintained by community volunteers, residents in neighborhoods bordering the park are planning recreational programs and forming groups to maintain the property, and city park staff is receiving direction on how to provide more efficient mowing methods and targeted forest maintenance.

The Genesee County Parks and Recreation Commission has since adopted the park in a cooperative agreement with the City of Flint.

ROWE has completed subsequent design work for a wetland boardwalk for an environmental education and awareness project in the park.

Past Projects

MIDLAND COMMUNITY CENTER, Midland, MI

Client: Midland Community Center

Contact: Kevin Heye, Executive Officer, (989) 832-7937 ext. 2211, khey@mybcc.org

Completed: 2008

Concept design, site plan approval, surveying, and construction engineering services for a 9.25-acre neighborhood campus reconstruction, to create a pedestrian-friendly "active" site.

The project involved exploring options for parking lot efficiency; the preferred option included city-approval process for a road closure and use of underground storm water storage. Project required strategic construction phasing to allow for continuous access to the center.

Site features include:

- Landscaping, including lighting and signage
- Fitness paths
- Nature-themed playground
- Basketball court
- Picnic areas
- Sports field
- Donor recognition
- New curling center

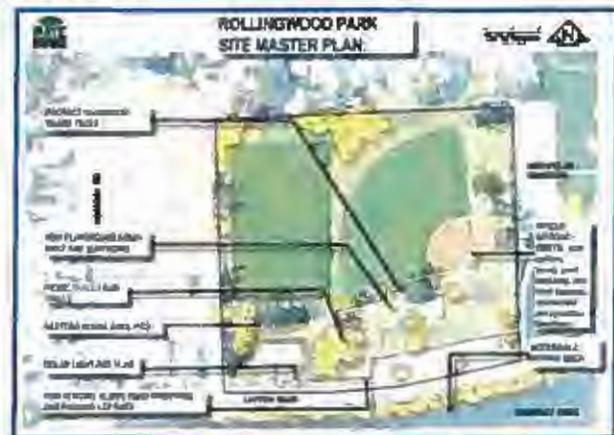

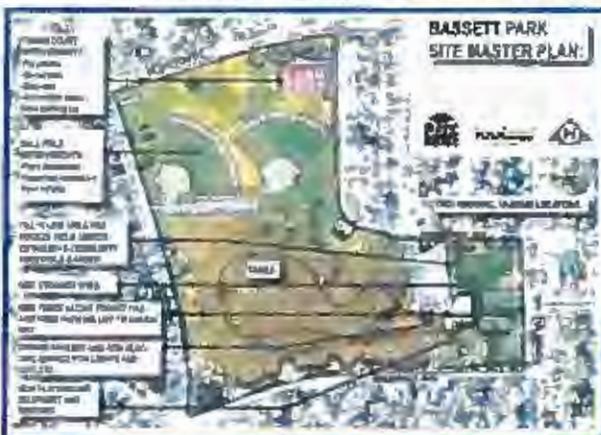

PARK TENDER MASTER PLANS (various neighborhood parks), Flint, MI

Client: Keep Genesee County Beautiful

Contact: Karen West, Director, (810) 767-9696, kwest@kgcb.net

Completed: 2014

Coordinated with nine neighborhood adopt-a-park groups to create a one to three-year plan for improvements that leveraged private funding and in-kind labor to impact local urban parks and maintenance issues using CPTED measures. Provided annual update and included additional park groups.

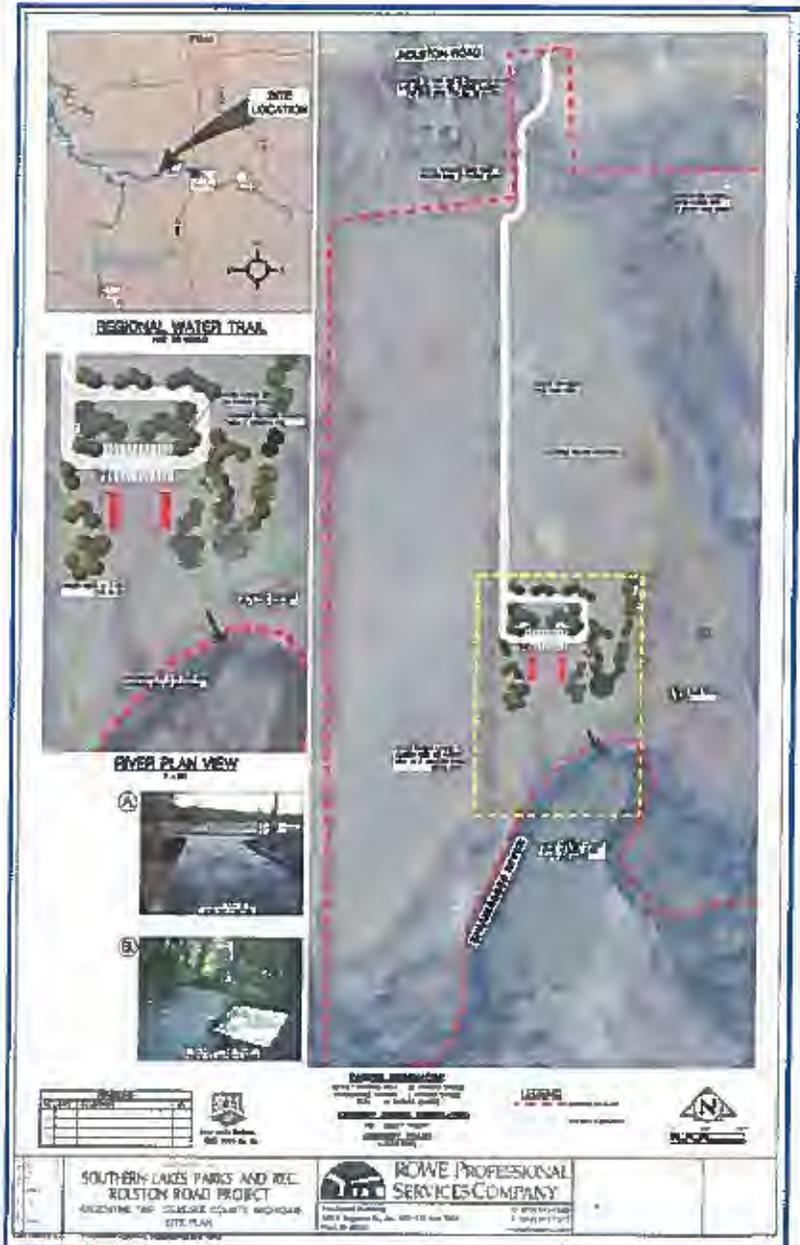

Past Projects

REGIONAL RECREATION FIVE-YEAR MASTER PLAN, Fenton, MI

Client: Southern Lakes Regional Metropolitan Parks and Recreation Commission
Contact: Vince Paris, Director, (810) 714-2011, vparis@slpr.net
Completed: 2014

Developed an MDNR five-year recreation plan leading a committee that represents Fenton Township, City of Fenton and the City of Linden through the development of its five-year recreation plan. Helped define the role of the commission, expanding from programs and community education to facility development and increasing the service area. Developed site concept plan for the Friends of the Shiawassee River to create a water access point.

CITY OF JACKSON, MICHIGAN
Loomis Park Master Plan

Past Projects

FIVE-YEAR PARKS & RECREATION PLAN, Mundy Township, MI

Client: Mundy Charter Township Corridor Improvement Authority

Contact: Dave Guigear, Supervisor, (810) 655-4631, dave.guigear@mundytwp-mi.gov

Completed: ongoing

Assisting a newly formed tax authority and the township with an update to their recreation plan and development of a concept plan for a key multi-use parcel. ROWE is coordinating partnerships with local and intermediate school districts, business owners, and other stakeholders to develop a regional park destination.

Past Projects

AS-NEEDED SERVICES, Owosso, MI

Client: Shiawassee County Parks and Recreation Commission

Contact: Hartmann Ave, County Board of Commissioners Chair, (517) 599-8824, hauc@shiawassee.net

Completed: 2015

Currently under contract to provide as-needed services, including development of a county-wide recreation plan, coordinating with county-wide stakeholders, including the Live Healthy Shiawassee organization and development of a county-wide greenspace and non-motorized plan. Concept plan developed for Shiatown Dam removal and access along the Shiawassee River.

Past Projects

BARBER MEMORIAL PARK MASTER PLAN, Montrose Township, MI

Client: Montrose Township

Contact: Mark Emmendorfer, Supervisor, (810) 639-2021, memmendorfer@montrosetownship.org

Completed: 2012

Worked with township and stakeholder representatives, including a veterans group, to prepare concept plan alternatives and a feasibility plan to provide a memorial and expand the park to create a regional draw and introduce camping as to help the local economy and complement current programming. ROWE had prepared the original concept plan that resulted in more than \$300,000 in MDNR-funded improvements to initially develop the park. The recent concept site plan was the basis for a successful \$103,400 MNRTF land acquisition grant to expand the park.

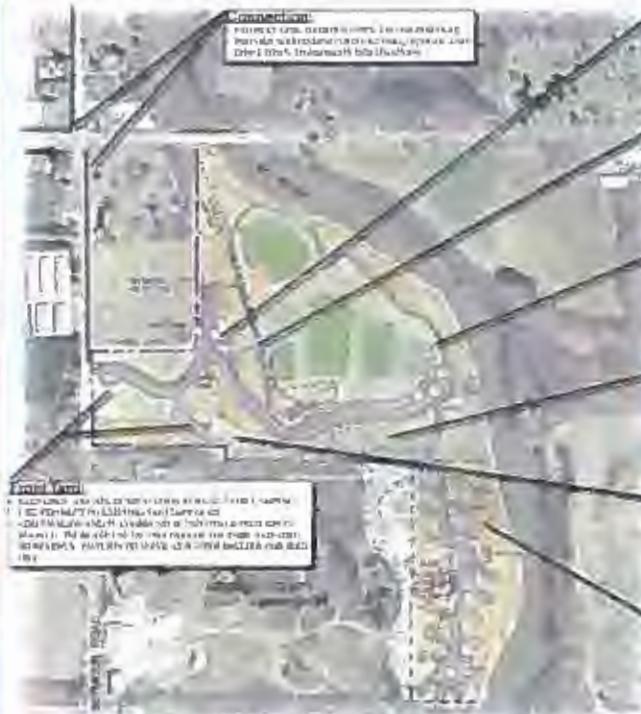

Barber Memorial Park Master Plan

Montrose Township, Michigan

The Vision: Providing a recreation destination to the Montrose community that has a regional appeal; enhancing quality of life and prosperity for residents and businesses.

Existing Conditions

Veterans Memorial:

- Provide a place for the community to honor and remember those who have served in the military.
- Provide a place for the community to gather and celebrate.
- Provide a place for the community to learn about the history of the military.
- Provide a place for the community to enjoy the outdoors.

Existing Conditions:

- The park is currently a grassy area with some trees and a few buildings.
- There is a parking lot and a playground.
- The park is located in a residential area.

Future Plans:

- Add a veterans memorial.
- Add a playground.
- Add a parking lot.
- Add a building.
- Add a trail.
- Add a picnic area.
- Add a gazebo.
- Add a water feature.
- Add a amphitheater.
- Add a stage.
- Add a band shell.
- Add a sculpture garden.
- Add a walking path.
- Add a bike path.
- Add a dog park.
- Add a petting zoo.
- Add a farm.
- Add a garden.
- Add a conservatory.
- Add a conservatory.
- Add a conservatory.

Montrose Township:

- Montrose Township is a small town in Montcalm County, Michigan.
- The town is located in the northern part of the county.
- The town has a population of approximately 1,000 people.
- The town is known for its scenic views and outdoor recreation.

CITY OF JACKSON, MICHIGAN
Loomis Park Master Plan

Past Projects

JFR Architects, PC, completed the following projects on time according to the client's schedule.

ADDISON OAKS RECREATION PAVILION, Leonard, MI

Client: Oakland County Parks and Recreation Commission

Contact: Michael Donnellon, Jr., Chief of Park Facilities and Maintenance, 248-858-4623,

donellonm@oakgov.com

Completed: 2014

Project architect for new outdoor picnic pavilion and utility building near the campground. The structure is intended to replace a temporary tent facility currently being used in the area and provide needed resources for camps and various activities center.

JFR worked closely with the OCPR staff, construction manager, and the parks end users in design and layout of the facility for key requirements and features that will help reduce maintenance and provide a necessary park enhancement.

Past Projects

CLINTON TOWNSHIP PROJECTS, Clinton Township, MI

Client: Clinton Township

Contact: William Sewerby, Township Treasurer, (586) 723-8121, w.sowerby@clintontowship-mi.gov

Completed: ongoing

Designer and project architect for various projects for Clinton Township for 15 years including new Fire Station #1 and #5, renovation of existing old police building, interior renovation for parks and recreation office space, and community cable TV.

- *Senior Center:* Recently project architect for new community fitness room addition. Addition includes approximately 3,000 square feet of new construction at the existing facility. Also included was several key interior renovations and modifications to improve circulation and the life safety requirements of the building, which included ADA improvements with existing toilet rooms and facilities and gym floor replacement. Project responsibility includes feasibility studies, estimating, budgeting, construction documents and value engineering and construction administration on the project.
- *Heritage Estates:* Project architect for roof replacement, HVAC replacement, and balcony and railing replacements all funded by the Community Development Block Grant program and phased over a course of several years. The projects included architectural design, HUD application assistance, and pre-design master planning, bidding, and construction observation.

Past Projects

ELLIS BARN IMPROVEMENTS, Springfield Township, MI

Client: Oakland County Parks and Recreation Commission

Contact: Michael Donnellon, Jr., Chief of Park Facilities and Maintenance, 248-858-4623, donellonm@oakgov.com

Completed: ongoing

Project architect and designer for several projects at Springfield Oaks Park.

- Campground electrical upgrades and expansion of site pedestals, and new lighting in the arena and parking lot. The project was a large effort, with coordination of DTE, contractors, supplier, and end users.
- Ellis Barn improvements, including code study and analysis, egress stairs, and elevators and structural improvements in an effort to provide a successful adaptive reuse of the structure while keeping to the original 1872 integrity.

Several of the projects were delivered through the construction manager and fast-track construction while other were built through general contractor and bidding.

Work continues at Springfield Oaks and keeps moving forward on schedule.

MEMO TO: Mayor and City Councilmembers

FROM: Patrick H. Burtch, City Manager

DATE: November 15, 2016

SUBJECT: Approve a Contract with Executive Property Management, Jackson, Michigan, to provide snow and ice removal services on downtown sidewalks, parking lots and the Police Department facility.

Recommendation:

Approve a contract with Executive Property Management, Jackson, Michigan, to provide snow and ice removal services on the downtown sidewalks, parking lots and the City of Jackson Police Department parking lots and sidewalks. The cost for city-owned parking lots is \$28,675.00, for downtown sidewalks is \$43,600.00 and for the Police Department is \$1,505.00.

Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager

FROM: Todd Knepper, Director of Public Works

DATE: November 15, 2016

RECOMMENDATION: Approve a Contract with Executive Property Management (EPM), Jackson, Michigan, to provide snow and ice removal services on downtown sidewalks, parking lots and the Police Department facility.

SUMMARY

Downtown snow and ice removal bids were accepted through the City of Jackson Purchasing Department, and two responsible bids were returned. The work will consist of clearing snow and ice off of downtown sidewalks and city owned parking lots, as well as parking lots at the Police Department.

BUDGETARY CONSIDERATIONS

Bid cost for snow and ice removal from downtown sidewalks are as follows:

Sidewalks = \$43,600.00

Parking Lots = \$28,675.00

Police Department = \$1,505.00

The cost of downtown sidewalk snow removal is budgeted in 101-447-000-818.000 and city-owned parking lot snow removal is budgeted in the various parking lot contractual services line items.

HISTORY, BACKGROUND and DISCUSSION

This will be the third winter season that sidewalk and parking lot snow removal is coordinated between contractors and Public Works personnel in order to provide appropriate services during the winter months.

DISCUSSION OF THE ISSUE

The use of a contractor has been beneficial in providing improved snow and ice removal services in the downtown area.

POSITIONS

I recommend approval of a contract with Executive Property Management for snow and ice removal services on downtown sidewalks, city-owned parking lots and the Police Department facility.

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burtch, City Manager
DATE: November 15, 2016
SUBJECT: Approve the purchase of 4,000 tons of road salt from Cargill Company for \$55.96 per ton for a total amount of \$223,840.00 for the 2016-2017 winter season.

Recommendation:

Approve the purchase of 4,000 tons of road salt from Cargill Company for \$55.96 per ton for a total amount of \$223,840.00 for the 2016-2017 winter season through cooperative bidding with the Jackson County Department of Transportation. These purchases are budgeted in 202-478-000-782.000 and 203-478-000-782.000, Major and Local Street Winter Maintenance.

Your consideration and concurrence is appreciated.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager

FROM: Todd Knepper, Director of Public Works

DATE: November 15, 2016

RECOMMENDATION: Approve the purchase of 4,000 tons of road salt from Cargill Company for \$55.96 per ton for a total amount of \$223,840.00 for the 2016-2017 winter season.

SUMMARY

The Jackson County Department of Transportation graciously allows the City to cooperatively purchase road salt through their annual competitive bidding process, and the results of this seasons bid is Cargill Company with a cost of \$55.96 per ton.

BUDGETARY CONSIDERATIONS

The City uses approximately 4,000 tons of salt per year, and given the bid of \$55.96 per ton, the total cost for the 2016-2017 winter season is \$223,840.00, which is approximately \$1,040.00 dollars less than last season. These purchases are budgeted in 202-478-000-782.000 and 203-478-000-782.000, Major and Local Street Winter Maintenance.

HISTORY, BACKGROUND and DISCUSSION

These quantities and purchase amounts remain consistent with recent years, and our expectations for required use remain the same for the upcoming winter season.

POSITIONS

I recommend approval of road salt purchase from Cargill in the amount of \$223,840.00 through the cooperative bid with the Jackson County Department of Transportation.

MEMO TO: Mayor and City Councilmembers
FROM: Patrick H. Burtch, City Manager
DATE: November 15, 2016
SUBJECT: Accept 51 Tax Foreclosed Vacant Lots under the City's Right of First Refusal

Recommendation:

Approve a Resolution to Exercise the City of Jackson's Right of First Refusal under PA 123 of 1999.

Attached is a memorandum from Jennifer Morris, Director of the Department of Neighborhood & Economic Development, regarding the acceptance of 51 tax foreclosed vacant lots.

I recommend approval of the Resolution exercising the City's Right of First Refusal under PA 123 of 1999. Your consideration and concurrence is appreciated.

PHB

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager

FROM: Jennifer L. Morris, Director of Neighborhood & Economic Operations

DATE: November 15, 2016

RECOMMENDATION: Approve a Resolution to Exercise the City of Jackson's Right of First Refusal under PA 123 of 1999

SUMMARY

Requested action is for City Council to approve a Resolution to exercise the City of Jackson's Right of First Refusal under PA 123 of 1999, acquiring 51 tax foreclosed vacant lots from the Jackson County Treasurer identified on Exhibit A of the Resolution. The Resolution also forgoes the acquisition of 35 other tax foreclosed properties identified on Exhibit B.

BUDGETARY CONSIDERATIONS

There is no per property cost to acquire these vacant lots; however, there may be nominal recording fees.

HISTORY, BACKGROUND and DISCUSSION

On or about April 1, 2016, the Jackson County Treasurer foreclosed on 137 properties within the City of Jackson for non-payment of 2013 and prior property taxes. Under PA 123 of 1999, the State of Michigan has first right of refusal of all tax foreclosed properties in its counties, with the local unit of government having subsequent first right of refusal.

Due to their individual locations, the 51 vacant lots identified on Exhibit A continue to advance the City Council's vision and goals under Jackson's Overall Economic Stabilization program. Accompanying this memo is a map of property locations by Ward along with a photograph of the lot in question.

DISCUSSION OF THE ISSUE

Following is a list by Ward of the tax foreclosed lots:

Ward 1 – 15 lots

925 S Jackson St	103 W Morrell St	212 W Mansion St
1017 S Jackson St	930 Maple Ave	121 E High St
1035 S Jackson St	1007 Maple Ave	142 E Euclid Ave
1037 S Jackson St	1041 Williams St	146 E Euclid Ave
940 Williams St	1117 Woodsum St	329 E Mansion St

Ward 2 – 10 lots

1503 TenEyck St	307 N Perrine St	1804 E Ganson St
304 Summit Ave	211 N Elm Ave	1806 E Ganson St
949 Russell St	209 N Elm Ave	
800 Detroit St	129 N Elm Ave	

Ward 3 – 5 lots

E Monroe St (8-2018.1)	809 Maltby St	823 Maltby St
805 Maltby St	815 Maltby St	

Ward 5 – 21 lots

709 Lansing Ave	410 W Morrell St	203 W Biddle St
329 W Trail St	808 First St	320 W Biddle St
417 W Michigan Ave	116 W Mason St	715 S Jackson St
109 Second St	316 W Mason St	800 S Milwaukee St
Louis Glick Hwy (3-0070.2)	233 W Mason St	407 Homewild Ave
212 First St	229 W Wilkins St	316 E Trail St
205 Third St	240 W Biddle St	404 Burr St

POSITIONS

Requested action is for City Council to **exercise** its right of first refusal to acquire **51** vacant lots identified above and in **Exhibit A** to the Resolution. Further, at this time City Council should **forgo** its right of first refusal and not acquire the remaining **35** properties identified in **Exhibit B** of the Resolution.

ATTACHMENTS

- Resolution

RESOLUTION

**Notification of Release of Right of First Refusal
Under Public Act 123 of 1999 for
The County of Jackson**

WHEREAS, pursuant to Public Act 123 of 1999, MCL 211.78m, the State of Michigan has first right of refusal for all foreclosed property of its Counties; and

WHEREAS, pursuant to Public Act 123 of 1999, MCL 211.78m, the local unit of government has subsequent first right of refusal (pending response from the state which has not yet been received) for all foreclosed property of its Counties; and

WHEREAS, the City of Jackson has reviewed a list of 2016 foreclosed properties located within its boundaries; and

WHEREAS, pursuant to the aforesaid right of first refusal, the City of Jackson has made a determination that it wants to acquire properties for a public purpose of redevelopment and economic development, identified on **Exhibit A**; and

WHEREAS, pursuant to the aforesaid right of first refusal, the City of Jackson has made a determination that it does not want to purchase the properties identified in **Exhibit B**.

NOW, THEREFORE, BE IT RESOLVED that at the meeting of the Jackson City Council, on this 15th day of November, 2016, the City of Jackson hereby exercises its first right of refusal for the 2016 foreclosed properties located in the City of Jackson, County of Jackson, State of Michigan, as identified on **Exhibit A**.

BE IT FURTHER RESOLVED that, with the exception of those properties identified on **Exhibit A**, the City of Jackson hereby declines to exercise its first right of refusal for the 2016 foreclosed properties located in the City of Jackson, County of Jackson, State of Michigan, identified in **Exhibit B**.

MEMOTO: Mayor and City Councilmembers

FROM: Jason Yoakam, City Assessor 

DATE: November 15, 2016

SUBJECT: Corrective Resolution for Special Assessment Roll No. 4248

Recommendation: Approve Corrective Resolution for Special Assessment Roll No. 4248 for Delinquent Miscellaneous Building Demolition Fund, confirmed November 18, 2014.

Attached please find the corrective resolution for Special Assessment Roll No. 4248 for Delinquent Miscellaneous Building Demolition Fund, confirmed November 18, 2014.

The Neighborhood and Economic Operations department who issued the invoice has determined that a change in ownership after the condemnation did not allow for due process to the current owner and was not removed prior to confirmation. (See attached). Therefore the special assessment for Invoice# 1300012651 in the amount of \$5,054.11 is being requested to be removed.

I recommend approval of the above mentioned resolution. Your consideration and concurrence is appreciated.

Attachments.

DEPARTMENTAL REPORT

MEMO TO: Patrick Burtch, City Manager
FROM: Jason Yoakam *JY*
DATE: November 15, 2016
RECOMMENDATION: Recommend adoption of a Corrective Resolution for Special Assessment Roll No.4248

SUMMARY

An invoice was issued for the demolition of a garage located at 710 Lansing Ave (Parcel # 2-150800000). That invoice went unpaid and became a special assessment as of November 18, 2014. Upon review the Neighborhood and Economic Operations Department discovered that a transfer of ownership happened after the condemnation and pending demolition were ordered thus not allowing the property owner due process. A corrective resolution to remove the special assessment is attached.

POSITIONS

Recommend adoption of a Corrective Resolution

ATTACHMENTS: Memo to Council; Corrective Resolution; Letter from NEO requesting removal of special assessment; Letter from taxpayer requesting removal of special assessment.

CORRECTIVE RESOLUTION

BY THE CITY COUNCIL:

WHEREAS, the Assessor, in accordance with the direction of the City Council, did make assessments for delinquent miscellaneous Building Demolition accounts receivable, which assessments were by him placed on Assessment Roll No. 4248 and were reported to the City Council at its regular meeting held on the 28th of October, 2014; and

WHEREAS, on the 18th of November, 2014, the City Council held a public hearing and confirmed said special assessment roll; and

WHEREAS, parcel 2-150800000, has a Special Assessment of \$5,054.11 from Invoice 1300012651; and

WHEREAS, on November 9, 2016, the Neighborhood and Economic Operations department determined that parcel 2-150800000 did not receive due process and have requested that the assessment be removed. (See memo).

NOW, THEREFORE, BE IT RESOLVED, that the special assessments upon parcel 2-150800000 in the amount of \$5,054.11 (Invoice 1300012651) is hereby deleted.

I, Andrew J. Wrozek, Jr., City Clerk in an for the City of Jackson, County and State aforesaid, do hereby certify that the foregoing is a true and complete copy of a resolution adopted by the Jackson City Council on this 15th day of November, 2016.

IN WITNESS WHEREOF, I have hereto affixed
My signature and the Seal of the City of Jackson,
Michigan, on this 16th day of November, 2016.

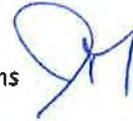

_____ Andrew J. Wrozek, Jr., City Clerk

_____ William C. Jors, Mayor

To: Jason Yoakam, City Assessor's Office

Date: November 9, 2016

From: Jennifer Morris, Director, Neighborhood and Economic Operations

Subject: Removal of Property #2-1508 (710 Lansing Ave) from Roll #4248 (DLQ 252 Bldg Demo Fund)

The above referenced property (710 Lansing Ave) was acquired by James Clifton through County tax sale in 2013. Unfortunately, throughout the acquisition process, the new property owner was never informed of the condemnation of the garage and its pending demolition. He has subsequently received a special assessment in the amount of \$5054.11. We are now asking that the special assessment be removed from the property via a corrective resolution.

June 3, 2016

To: City Manager, Patrick Burch,
NEO Director, Jennifer Morris,
Chief Building Official/ Building Inspector, Brian Taylor

From: James N. Clifton
Owner of properties 704 & 710 Lansing Ave, Jackson, MI 49202

RE: Demolition Bill Waiver

As per the meeting with City Manager, Patrick Burch and NEO Director, Jennifer Morris, and our verbal agreement, I am requesting the bill from the demolition of the garage that was on my 710 Lansing Ave, Jackson, MI property be waived and forgiven, and the lein on the property be lifted and removed so I can sell approximately 1/10th of an acre to my neighbor. Our verbal agreement was conditional upon a visual inspection of the properties (710 Lansing Ave. & 704 Lansing Ave.). The visual inspections took place approximately a week later and I was told that 710 Lansing Ave looked good but some clean-up was needed still at 704 Lansing Ave. The clean-up has been done for awhile and when I asked about the forgiveness of the bill, Ms Morris said we had to comply with not only the visual inspection but our rental inspection (which had just took place) of 704 Lansing Ave., before we can move forward of the exoneration of the bill. This was not the agreement of an outside visual inspection, which was complied with. However, upon a recent meeting with Chief Building Official/ Building Inspector, Brian Taylor and a brief interaction with Ms. Morris, as well, I was told to write this letter to request the removal of the bill be done prior to the rental inspection finalization.

The reasons being are:

- 1) I want to sell approximately 1/10th of an acre of the 710 Lansing Ave property to my neighbor Steve Hunt, who is the landlord of that property. The City Building Inspection department is on him to expand his parking for his tenants but he does not have the room and needs that extra strip of property to comply. He has started to comply by starting to concrete his driveway, but is in limbo to complete until I can sell him part of the property.
- 2) I cannot sell him the portion of property until the bill is forgiven and the lein is lifted at the City Treasurer's office.
- 3) Since we received the rental inspection report, we have been working on repairing/complying with the necessary fixes, however, due to the limited funds we have (the rental income, when everyone is paying, is just enough to pay for all the expenses of mortgage and utilities of the rental house; our income, just pays for our living expenses. My wife receives minimum disability each month and my sales job is draw-commission based and has been minimum and not lucrative, over the past few years.
- 4) The potential sale of the partial property can help pay for the inspection fees, as well as monies to help with the necessary repairs to complete and comply with the rental inspections.
- 5) Complying with the rental inspection was not part of the original verbal agreement. We have complied with the visual outside drive-by inspection, which was part of the original verbal agreement.

Please consider my urgent request and let me know as soon as possible.

Thank you.

A handwritten signature in black ink, appearing to read "James N. Clifton".

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Bethany M. Smith, City Attorney

DATE: Council Meeting – November 15, 2016

SUBJECT: *Resolution and Deed to Transfer Two Parcels to the County of Jackson*

Recommendation: APPROVE the attached *Resolution* and Execution of the *Deed*.

Your consideration and concurrence is appreciated.

DEPARTMENT REPORT

MEMO TO: Honorable Mayor and City Councilmembers

FROM: Bethany M. Smith, City Attorney

DATE: Council Meeting – November 15, 2016

RECOMMENDATION: APPROVE the attached *Resolution* to transfer two parcels of property to the County of Jackson located on North Blackstone, authorize the Mayor to sign the Deed, and authorize the City Attorney to make minor modifications and to take all other actions necessary to finalize the transfer.

SUMMARY

The attached Resolution and Deed drafted by the County of Jackson will effectuate transfer of two parcels of property located in the Jackson County Fairgrounds to the County of Jackson.

HISTORY, BACKGROUND and DISCUSSION

The County of Jackson recently discovered that two parcels of property that are located within the area known as the Jackson County Fairgrounds are in fact owned by the City of Jackson. The County of Jackson claims to have been utilizing these two parcels for over 150 years as fairgrounds property. The County of Jackson has claims to have been maintaining these two parcels for this amount of time as well.

The County of Jackson has requested that the City of Jackson transfer these two properties to the County. No consideration will be paid to the City of Jackson for this transfer. A copy of the Deed that will be executed upon City Council's approval is attached.

Two maps are also attached showing the location of the two parcels.

POSITIONS

APPROVE the attached *Resolution*, authorize the Mayor to sign the Deed, authorize the City Attorney to make minor modifications to the Deed and to take all other actions necessary to finalize the transfer.

ATTACHMENTS: Resolution
Deed
Maps showing location of the parcels

RESOLUTION

North Blackstone Street Properties

BY THE CITY COUNCIL OF THE CITY OF JACKSON :

WHEREAS, on January 30th, 1872, a court ordered all parts of the Addition to the City of Jackson, Michigan made by John T. Durand be vacated;

WHEREAS, on June 23rd, 1886, a warranty deed between John L. Sharp & Ella W. Sharp and the City of Jackson, Michigan was established for Lot Ten (10) in Block Five (5) of Durand’s Addition of the City of Jackson, Michigan;

WHEREAS, on September 2nd, 1886, a warranty deed between Constaut C. Poud & Esther Poud and the City of Jackson, Michigan was established for the South one-half of Lot One (1) in Block Seven (7) of Durand’s Addition to the City of Jackson, Michigan;

WHEREAS, the two (2) parcels of land owned by the City of Jackson, Michigan is located within the County of Jackson, Michigan fairgrounds and;

WHEREAS, the two (2) parcels of land have been utilized by the County of Jackson, Michigan for the past 150 years;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Jackson, Michigan approves the quit-claim deed transferring the land situated in the City of Jackson, Michigan described as follows: Parcels 1-035900000 and 1-03610000406, both being Vacant Land N. Blackstone St., Jackson, Michigan 49201 to the County of Jackson, Michigan.
