Project Updates

Trail Head Sculpture

- Update of Jackson Community Foundation grant reporting (Pilgrim). One report is due to JCF. Otherwise JPAC is in good standing. Sullivan will follow up with Meyer-Jackman to assist with report.
- Clean up and unveiling (Sullivan). City wants formal unveiling. Discussion on how to mark event. Likely timing late May (weather and plantings should be favorable at that point). Curtis will begin correspondence to pick date and line up help. Edward and Pilgrim offered to assist. Same committee to do public unveiling for both Trail Head Sculpture and Kibby Roundabout Sculpture.

Ella Roundabout – Follow Up (Sullivan)

- Curtis will meet with Kelli Hoover and then consult with Ella Sharp Museum about potential statue of Ella Sharp in Ella Roundabout (4th Street at entrance to Ella Sharp Park). Sullivan will check with Burtch about what if any base is already in roundabout.

CP Federal Gallery Update. Curtis gave schedule for exhibits in gallery over next six months.

New Items

- **King Center** (Sullivan). Discussion of possible sculptures and funding for that location.

Adjourn by Curtis, 6:25 p.m.
