

APPENDIX C

SELECTED PROJECT AREA STREETSCAPES

APPENDIX C
SELECTED PROJECT AREA STREETSCAPES

The following pages include streetscape photographs from the survey of downtown Jackson. Streetscapes, or views of several buildings, are particularly useful in showing the relationship of the buildings with each other and with the landscape. Streetscapes can also provide a sense of scale often missing in single building images.

C-1. South Side 600 Block of E. Michigan, Looking Southwest

C-2. North Side 500-600 Blocks of E. Michigan, Looking Northwest

C-3. Michigan from Milwaukee, Looking East-Northeast
