They should be submitted to the Purchasing Agent, City of Jackson, as provided in the Invitation for Bids in a sealed envelope marked "Window Replacement at the former Masonic Temple located at 145 W. Cortland and the former Vermeulen's building located at 135 W. Cortland".
- b. Proposals, affidavits, certificates and all appendices must be fully and properly filled out and executed.
- c. Proposals must be bid on a unit price basis as applied to the estimated quantities. Where errors of extension of totals are made, the unit price bid multiplied by the estimated quantity shall govern. The preliminary estimates of quantities indicated, although given with as much accuracy as possible, are to be regarded as approximately only, and are given for the general guidance of the bidders and as a basis upon which the different proposal may be compared. Upon the discovery of an obvious error in a bid document that could result in a change in the amount of a bid, the staff of the Purchasing Department shall contact the bidder in writing and advise the bidder that it has seven working days from the date of the letter to correct the error. This correction shall be in writing directed to the Purchasing Agent and shall be postmarked

no later than seven working days from the date of the letter referred to in the first sentence of this paragraph.

If no correction is received in a timely fashion, then the Purchasing Agent shall reject the bid. If a correction is received and the Purchasing Department deems the same to be appropriate and proper in every way, the Purchasing staff shall attach same to the original bid document and shall then proceed to tabulate the bids as corrected.

- d. Proposals may be withdrawn up to the time for opening bids announced in the Invitation for Bids. Proposals shall remain in effect for 60 days after opening.
  - e. Each bidder shall be held to have examined the site of the proposed work and adjacent areas in order to arrive at a clear understanding of the conditions under which the work is to be done. He shall be held responsible to have compared the site with the drawings and specifications and to have satisfied himself as to the conditions of the site, existing obstructions, the actual elevations, and any other conditions affecting the carrying out of his work. No allowance or extra consideration on behalf of the Contractor shall be allowed by reason of error, negligence, oversight, or carelessness on the part of the Contractor.
  - f. The City may request of any bidder evidence of experience performing the work being bid, and may require information on financial status and equipment available for the project.
  - g. Each bidder shall indicate on page 10 of the Proposal Forms the name, address, and a complete description of work to be performed by each subcontractor on this project. All subcontractors must be approved by the City, and must meet the same requirements of the successful bidder.
  - h. On contracts that have two or more divisions, proposals that offer a percentage deduction if a single bidder is awarded more than one division, will be considered provided that the deduction is clearly identified in the proposal.
3. **BID SECURITY:** All Proposals must be accompanied by a certified check made payable to the order of the City of Jackson in the amount of 5% of the aggregate bid total. Bid bonds with authorized surety companies as sureties and of like amount may be substituted for certified checks at the option of the bidder. Such bid bonds must be run to the City of Jackson, Michigan.

All proposals submitted without bid security will be returned to the bidder unread.

The bid deposit of all except the three (3) lowest bidders will be returned within (3) days after the opening of bids. The bid deposit of the three lowest bidders will be returned within forty-eight (48) hours after Contract and required bonds have been finally approved by the City.

Award of contract, if any, will be made to the single lowest responsible bidder for the entire scope of the project. Provided however, the City Council has the authority to reject any and all bids, and to accept or recommend the acceptance of other than the lowest responsive bid when the public interest is served thereby and such action is in the best interest of the City.

B. The City Council reserves the right to reject any and all bids and to waive minor irregularities and/or technicalities in the bids.

6. **CONTRACT:**

A. If the awarded contract is \$50,000 or greater, the following bond requirements will apply:

Contractor shall, within ten (10) days of notice of award, provide City at Contractor's expense with three bonds using the forms attached hereto (B-1 through B-7):

IV. **PAYMENT:**

A. **Partial Payments:** The City shall make partial payments as the work progresses, as follows:

Upon itemized application by the Contractor and reasonable opportunity for inspection by the City, the City shall make monthly payments to the Contractor based on ninety percent (90%) of the value of the labor and materials incorporated in the work up to the first day of the month less the aggregate of all previous payments, provided that the aggregate of all monthly payments shall not exceed ninety percent (90%) of the contract price.

After the work is 50% in place, additional retainage shall not be withheld unless the City determines, in its sole reasonable discretion, that the Contractor is not making satisfactory progress, or for other specific cause relating to the Contractor's performance under the Contract. If the City so determines, the City may retain not more than 10% of the dollar value of work more than 50% in place. In no case shall the aggregate of all monthly payments exceed 95% of the dollar value of the work.

B. **Final Payment:** Upon completion and acceptance by the City of all work required hereunder, and after the Contractor shall have furnished the City with release of all claims against the City which arise or may arise under and by virtue of this contract, then the City shall pay the balance due under this contract.

Payments otherwise due may be withheld by the City on account of defective work not remedied, rejected work, claims filed, or reasonable evidence indicating probable filing of claims, failure of Contractor to make payments properly to sub-contractors, or for material or labor, or a reasonable doubt that the contract can be completed for the balance then unpaid. If the same are not remedied upon written notice, the City may do so at the Contractor's expense and deduct any sums expended from payments otherwise due.

V. **CHANGES TO THIS CONTRACT:**

A. **Change Orders:** The City shall have the authority to order changes in the work through additions, deletions, or substitutions. Modifications, deletions or additions that change the scope of the work as designated by the contract plans, and extensions of time to complete the contract, shall be covered by a written order signed by the authorized representatives of the

Any extra work required in an emergency to protect life and property shall be performed by the Contractor as is necessary. The City shall be notified within 48 hours of start of any extra work, for which the Contractor shall keep a strict account of actual cost, and a written work order shall be made out as soon as practical to do so. 2. delays caused by Acts of God, riots, strikes, shortages of materials which could not be avoided by reasonable foresight, national emergencies which might create delays, public utility delays, etc.

No extensions of time will be given for delays as in classification (1) above for which the Contractor is responsible.

Delays failing into classification (2) above shall in no way affect the validity of the Contract, but the time limitation of the Contract shall be extended by the same amount of time as such delay may cause to be lost. The Contractor must notify the City in writing within 48 hours of the start of any delays falling into this classification.

D. **Liquidated Damages:** Should the work under these specifications not be finished within the time specified for any reason other than delays in classification C(2) above, it is agreed that there may be deducted by the City from the final payment to the Contractor a sum computed at the rate of one hundred dollars (\$100.00) per day, beginning the day following the scheduled date of completion and continuing until the date of final acceptance of the work.

It is understood that the above deduction of one hundred dollars (\$100.00) per day is not a penalty, but money due, to be treated as liquidated damages to reimburse the City for the extra costs due to the delay in the completion of the work.

VI. **VOIDABLE AND RESCINDABLE FOR FAILURE TO DISCLOSE CITY EMPLOYEE AS PARTY TO CONTRACT.**

This contract or agreement shall be voidable or rescindable at the discretion of the City at any time if a City employee who is a party to this contract or agreement or has a financial interest in this contract or agreement fails to disclose his or her interest as required by the City of Jackson Code of Ordinances ("the Code"). VII. **TERMINATION BY THE CITY:**

Should the Contractor, at any time, refuse or fail to prosecute the work with promptness and diligence, or in accordance with the contract documents, the City may, at its sole discretion, terminate the contractor's right to proceed with the work by written notice to the Contractor. In such event, the City may enter upon the premises and for the purpose of completing the work included under the contract, take possession of all suitable materials thereon and finish the work by whatever method it deems expedient. In such case the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price exceeds the expense of finishing work, including compensation for additional managerial and administrative services, such excess shall be paid to the Contractor. If such expense shall exceed the unpaid balance, the Contractor and his sureties shall be liable for and shall pay the difference to the City.
