

March 17, 2020

Hello Friends,

I know things have been ever changing and a little scary lately. Since we can't be together in person I wanted to get this update out and check in with you. I hope you are staying healthy and positive. We are in this together and I am here for you. Please call or text me (517.812.1089) if you need anything at all. I will do my best to keep you updated as I know more information. The best way to know the latest information is to contact me directly. I will post updates on our Facebook Page (search "Jackson MI Recreation 50 & Better Group"), our website (www.cityofjackson.org), and send out emails (if you want to be added to the email group send me an email; amarkham@cityofjackson.org). Please help spread the word by passing any information along to others you know.

Here are the important updates as of March 17, 2020.

- **March 19 trip to Turkeyville and Firekeepers was cancelled.** I am hoping to reschedule this trip, and will send that information once it is available (refunds will be sent, or people will be contacted with reschedule date)
- **April 16 trip to Frankenmuth will be cancelled.** Full refunds will be processed and sent out.
- **May 7 Holland Tulip Time trip will be cancelled.** Full refunds will be processed and sent out.
- **April 14 Anniversary dinner will be moved to May 12.** If you want to transfer your ticket and table number to this dinner please contact me (517.812.1089 or email; amarkham@cityofjackson.org). Refunds will be given as needed.
- **Boos Center Programs scheduled to resume on April 6, 2020.** I am guessing that this will be pushed back (See JPS schedule). As always I value your health and safety above all. Please use your judgement on when you feel comfortable coming back. Hopefully I will see you all soon.

This is all the information I have as of now. The June Tigers game and the September Maine Trip are still happening as planned. You can still register for both trips. I will keep you updated as things progress.

Please reach out if you have any questions. I am working on a revised April Newsletter to send out as well. Stay positive and keep in touch. I am here for you and I am praying for you daily. See you soon.

Love, Alexa
